What's Happening in 1994?

Final Banquet & Special Days

TRIVIA QUESTION #1 What do hoola hoops, Elvis Presley, pop beads, poodle skirts, white bobby socks and the 1994 Final Banquet all have in common? You guessed it! The Rock N Roll 1950's Era will be reborn at the final banquet of each session with promises of good food, good music, good acting, and good fun! Come dressed for the occasion by bringing costumes such as: girls--pop beads, paste on rhinestones, hoop flair skirts, white bobby socks, penny loafers, ribbons for your "pony tails", saddle shoes, red lipstick and nail polish, and batons; boys--rolled up jeans, white t-shirts, fake tatoos, grease for your hair, letter jackets, sunglasses, thin ties, etc. If you're not sure what to bring, ask your mom or dad! They may still have some clothes or some of their favorite 45 records that you could borrow! The banquet is sure to be a momentous occasion spent with friends before departing from camp. Get ready to rock 'n roll!

TRIVIA QUESTION #2 What do clogging, sheepsheering, blacksmithing, soap making, stick weaving, dulcimers, butter churning, story telling, wheel barrow races, giant chocolate chip cookies and special days at Camp Foley all have in common? You guessed it again! All camp special days will revolve around different aspects of a pioneer times. Because we have so many exciting ideas in regard to this folkcraft festival, we will be altering the events each session while keeping the same theme. Some costume ideas include: girls--Laura Ingall's type clothing such as sun bonnets, long skirts with long aprons and leggings; boys--suspenders, knickers or sweatpants with tube socks, flannel shirts, handkerchiefs, hats, long underwear, and bushy beards. Use your imagination and have fun thinking of what to wear!

New Stuff for 1994

- The Mid Washo shower room is now decked out with seven individual shower stalls with curtains.
- New wooden beds with built in shelving for personal items will be built this winter in cabin Seneca.
- Matoaka is now one large cabin after Jeff and Michael removed the wall and moved the stove. Both Pocahontas and Matoaka will look completely different with new wooden bunk beds and new standing lockers.
- Mandan and Kewaskum looks larger with different bunk beds throughout.
- A new water basketball backboard with a break away rim will be at the swim dock. Thank you to the following CLP's: **Dan Lenmark, Mike Monge, Steve Lukasweycz, Libby Broekemeier, and Kristin Pederson.**
- A new buddy board designed and painted by **Michelle Wood** will be added to the swim area. Thank you Michelle!
- New boardsails and new mountain bikes.
- Fishing will be more prominent with early morning fishing trips returning to the program. Reasonably priced starter tackle

boxes will be available in the canteen for those enthusiasts that do not bring their own. Campers are welcome to bring their own poles and tackle.

- The art and shop programs will both be introducing new projects and ideas. How about rag baskets, Native American necklaces, hat racks, or welcome signs?
- Frisbee Golf is now a permanent addition to the center of camp and can be utilized for cabin activities thanks to our first session CLPs: **Sasha Baltins, Glenn Doyle, Mauricio Graf, Maren Krebsbach, and Katie Aspnes.**

Watch for more new twists and equipment in the next newsletter.

Lake Superior Sail Trip

Camp Foley will be offering two Lake Superior Sail Trips during the three week session. Participants in the three day sail trip will learn to safely crew and skipper a deep water cruising sailboat, a 42' ketch. Campers will be responsible for rigging and unrigging the boat, spending time at the helm as skipper, participating in dinghy launching and landing, and sharing in galley duties.

In addition to the sailing, campers will explore some of the 22 Apostle Islands. These islands are rich in history and wildlife. Known for their hiking trails, lighthouses, and secluded wildlife habitat, the islands provide campers an unique opportunity to experience the beauty and history of a truly extraordinary part of our world.

Any camper, age thirteen or older, who has some sailing experience can participate in this special program. Cost will be \$265.00.

Foley sailors include: **Bennett Gold, Michael Mahony, Katie Frank, Leah VanLandschoot, and perhaps Heather Matthews.**

If you are interested in this limited opportunity, please make a note on your application or contact the camp office.

Dishwashers

Are you an enthusiastic camper looking for a work experience with other young adults while still enjoying camp? Then, this is for you! Campers who are fifteen or sixteen years of age can do dishes once per day and work off \$50.00 per week of their camp tuition. If you are interested in becoming a dishwasher, contact the camp office and/or indicate your interest on the application. The following campers have joined the

dishwashing crew: **Dorothy Dotson, Dana Anthony, Aimee Wardlaw, Maureen Greeley,**

Sam Bashiti and Christine Godwin. The camp application and deposit must be in the office to hold a place.

Camper Leadership Program

The Camper Leadership Program is a varied experience for individuals who are sixteen or seventeen years of age. Experience is gained by assisting staff with younger campers, attending leadership training meetings, working in our camp kitchen on a rotational basis, and being a positive role model. It is a four week commitment at a reduced tuition rate.

If you are familiar with the old Camper Leadership Program, read on about the exciting changes for 1994. First of all, Marie personally thanks the 1993 Tekawitha campers for their honesty and input in revising the program. Here are their ideas that have already been implemented: more emphasis on working with the younger campers, more leadership training, fewer hours in the kitchen, more time as a cabin group, and more time to increase skills and participate in their favorite aspects of camp--sailing, racing and tripping. The following individuals are committed for '94: **Alyssa Dotson, Kristin Moorhouse, Colleen Finn, Jenny Dowling, Nel Pearson, Katherine Monge, and Chris Ramey.** Several others have expressed interest and we are looking at scheduling and other details. If you are interested, please contact the camp office for more information and a special application.

North Shore Trip

Minnesota's North Shore of Lake Superior offers some of the most scenic beauty in our country. This summer, between sessions, our long term campers of four, five and eight weeks are heading to the North Shore for some big time fun. Plans call for our trippers to spend three days hiking some incredible trails that lead to some spectacular waterfalls, touring Split Rock Lighthouse, camping along Lake Superior in some breathtaking campsites, and visiting a multitude of state parks in the area. We are also researching the possibility of participating in one of the following: sea kayaking on Lake Superior, an alpine slide, or a whitewater rafting trip. Our adventurous campers will celebrate their accomplishments with a stop off in Duluth for a pizza lunch before returning to camp.

Soccer Clinic

Do you want to concentrate on developing your soccer skills? Do you want to combine a couple hours of soccer with all of the other advantages of being at Foley? If you answered "yes" to these two questions, then this soccer clinic is for you.

Increase your skill level in the fundamentals of passing, shooting, dribbling, heading and throwing. Condition your body through stretching and exercise. Practice team work skills during daily scrimmages and drills. Players will further have an opportunity to test their skills by competing against other camp soccer teams in northern Minnesota. Camp Foley t-shirts designed exclusively for the soccer team may be purchased and used as a team uniform. Players will be divided by age. Don't miss the fun, let us know of your interest!

After Camp BWCA Trip

Every Foley camper knows that one of the toughest challenges facing them is having to select between the wide array of camp activities. When it comes to tripping, it becomes even more difficult to choose between all of the daily happenings in camp and the many wonderful benefits and lifetime experiences an extended trip can offer.

In response to our campers, Foley is offering two new wilderness trips, one for boys and one for girls. Each nine day, Boundary Waters Canoe Area or B.W.C.A., trip will depart following the close of camp on August 16 to August 25. There will be seven campers and two staff on each trip.

Each trip promises to be a fun filled adventure. You'll explore one of our nation's most pristine wilderness areas, fish its abundant waters, swim in crystal clear lakes, learn to prepare gourmet meals in the out of doors and acquire orienteering skills enabling you to navigate on your own. Share in an experience that will find you ending each day beneath a majestic sunset. Relax around a campfire and gaze at the spectacular northern lights. Catch a glimpse of the many constellations more clearly visible in the wilderness. A great sense of accomplishment and memories like these will last you a lifetime. All this and more awaits you. Sign up now!

To qualify for this trip, campers must have passed Camp Foley's Basic Canoe Award, have intermediate swimming skills, be between the ages of fourteen and seventeen, have the physical ability to paddle six hours a day, and assist in portaging equipment. Trip conditioning and preparation will be offered for campers lacking or wanting to sharpen their skills in the two week preceding session, from August 3 to August 16. Participants should be aware that there are some additional equipment needs for this trip. A complete list of this equipment and more information about this trip is available upon request. Cost for the trip is \$550.00 per camper. Camp transportation between Our Lady of Grace parking lot or the airport in Minneapolis on August 16 and August 25 can be arranged.

Awards

Congratulations to **Mike Monge**, the only recipient of a Gold Paddle during the 1993 Season. This is the highest honor that an individual thirteen years of age and over can earn at Camp Foley. In order to receive this award, one must master skills in a minimum of seven major activity areas. In addition, he or she must display strong positive characteristics such as leadership skills, respectfulness, and enthusiasm for the camp program. Mike attended camp the last two sessions and received his award during an Australian rendition of a trivia game at the final banquet. Mike first attended camp in 1986 at the age of nine years and progressed through Foley's leadership program. He was a CLP last summer. The camp community is proud of Mike and of his accomplishments!

The Silver Paddle is the highest award presented to campers age twelve and under. The recipients of the Silver Paddle have also demonstrated skills in seven major activity areas, projected a positive attitude, adjusted well to camp life, displayed good sportsmanship, and are helpful, happy, and enthusiastic campers. Two campers were honored with this award in 1993. **Alli Faricy** received her Silver Paddle at the award's campfire closing the three week session. She was very surprised and happy to have her mom make the presentation. Later in the summer, **Lauren Hartzell** was equally surprised to receive her Silver Paddle at the final campfire of the season and further surprised when her mom and two sisters were there to witness the occasion. Congratulations Alli and Lauren!

The Anchor Award is an award that honors outstanding campers who demonstrate qualities of being friendly, well-mannered, respectful, and enthusiastic. All nominees for the award must have attended camp for a minimum of 5 weeks. The recipients are chosen by written vote of both the campers and staff during each session. The 1993 Anchor Awards were presented to the following campers:

July 30 - July 20.....**Sasha Baltins** and **Mike O'Keefe**
 July 21 - August 3.....**Liz Goodman** and **Dan Lenmark**
 August 4 - August 17.....**Kristin Pederson** and **Mike Monge**

We would like to recognize the following campers who, through their own personal goal setting, have achieved some of the highest activity awards at Camp Foley.

In archery, the Silver Bow Archer - **Stephen Boulware**

In boardsailing, the Daggerboard - **Mike Boulware, Mike Mahony, and Mike O'Keefe**

In canoeing, Advanced Canoeing - **Andrea Anthony, Karen McGaa, and Katherine Monge**

In Outdoor Living Skills, Water - **Alli Faricy, Lindsay Dowdle, Lauren Hartzell, Elizabeth Ingram, Ale Labastida, Patricia Leal, Karen McGaa, Claire Rabun, Megan Tauer, Ana Sofia Velazquez, Christian Papayanopulos, Carlos Velazquez, Beau Jorgenson, Ignacio Medina, Pablo Ramos, and Fernando Ramos**

In riflery, the Riflemaster #2 (Bar 9) - **Glenn Doyle, Sharpshooter #3 (Bar 7) - **Abby Meester and Mike Monge****

In sailing, Skippers - **Maren Krebsbach, Andrea Anthony, Dan Lenmark, Steve Lukasewycz, and Mike Monge, Mates** - **Colleen Finn, Nicole Moore, Suzanne Moore, Bridget Strand, Leah VanLandschoot, Sam Bashiti, Mauricio Graf, Kyle Young, Alli Faricy, Matt Rauenhorst, Jeff Rauenhorst, Lauren Hartzell, Mary Beth Kalkbrenner, and Christopher Draper**

In skiing, Expert - **Lauren Hartzell**

In swimming, Emergency Water Safety - **Katie Aspnes, Sasha Baltins, Libby Broekemeier, Glenn Doyle, Mauricio Graf, Maren Krebsbach, Dan Lenmark, Steve Lukasewycz, and Mike Monge**

In tennis, Advanced Intermediate - **Sasha Baltins, Courtney Flick, Blake Dotson, Drew Dowling, Peter Kamman, Luis**

Jose Martinez, Maureen Greeley, Kylie Smith, Santiago Dosal, Carlos Islas, Stephen Kraus, Christian Papayanopulos, Jorge Rubalcava, Carlos Velazquez, Anne Giefer, Karen McGaa, Keith Dallenbach, Michael Giefer, Mike Monge, and Andrea Anthony

Congratulations to every camper who worked for and received an award or achieved a goal this summer!

Scholarship Program

We'd like you to meet a few of our friends. They come from many walks of life. They live in different places, may not know each other, probably think differently, and feel differently about many things with the exception of one very important common interest that binds them--Camp Foley.

In some way or another, Camp Foley has touched their lives. Maybe they were a camper and now send their children or grandchildren. Maybe they were a staff member, parent, or camper who understands the benefits associated with Foley. Maybe they own summer cabins in the area and attend Mass at the camp chapel. They share not only their love of Foley but have contributed to our Camper Scholarship Fund through the American Camping Association. This program enables a few children that would not be able to afford a residential camping experience to come to Camp Foley.

Our warmest thank you to 1993's donors. Your names will be inscribed on a yearly placque proudly displayed on the bell stand in the center of camp. If you would like your name listed differently than printed below, please contact us.

We think of you every time we see a child that has benefitted from your generosity. We think of you when we receive their letters of gratitude expressing the importance that camp has made in their lives--camp friendships, new skills and experiences, and personal growth. You can and did make a difference. Thank you to the following individuals:

Newsy Notes

Remember last winter when we introduced the Foley Newsy Notes? Well, here it is featuring some of the 1993 Foley girls. Boys will be featured in the next issue. Write us about your accomplishments and activities. Have you seen your Foley friends? We want to hear from you! At the reunions this winter, note pads will be available to write down any latest happenings.

Bridget Convery went to a mixer in October with other schools in St. Louis and was excited to see some of her Foley friends. **Maddy Otis** of St. Paul flew to St. Louis to spend Thanksgiving with her camp friend **Liz McDaniel**. Did you know that her older sister, **Katie Otis** also has a camp friend from St. Louis, **Katie Frank**? **Jennifer Glessner** joined a group called "Navigator" that keeps her outdoors horseback riding and camping with her friends. She has been writing her Foley pen pals and can't wait to get her free video for registering early! **Christina Hennen** in November performed in a dance recital called "Just for Kids". **Alli Faricy**, **Becky Schultz** and **Ta Shreves** have all started playing ice hockey! **Monica Olson** finished her season playoffs on the volleyball team and is looking forward to camp. **Martha Petkovich** is a Girl Scout, takes piano and voice, and is writing her Foley friends! **Anna Fee** played on a volleyball team and will be participating in a piano competition in January. **Donna Galluzzo** sings in an all city elementary school chorus that performed at a Chicago Bulls' game. She also transferred to a new school. **Megan Murphy** has been busy since fall playing soccer, volleyball, basketball and dancing. **Jaci Siemers** is on the swim team and played soccer. **Brittini Smoots** has been involved in several ballets and jazz recitals. **Brooke Wiessner** is doing well on the swim team and had knee surgery in December. **Catharine** and **Alicia McNamara** have new additions to their family, two puppies named "Snickers" and "Black Out". **Abbey Sanborn** performed in the **NutCracker** with the Minnesota Dance Theater as one of the lead mice. **Kate Trousdale** takes dance five hours a week and loves it! She performed in the **NutCracker** also as a soldier. **Lylee Rauch-Kacenski** switched to a visual and performing arts school and is also the proud owner of two kittens! **Caitlin Mazonas** is applying to high schools, playing volleyball and awaiting tryouts for a big production at her school. **Allison Bolin** continues her many years of involvement in a dance shop. **Katy Robinson** played both field hockey and basketball. **Katie Mahony** played basketball and is swimming. **Diane Thompson** is playing basketball. **Emily Carlson** is an avid skater and passed her first preliminary free style level. She is playing basketball and this past summer set a record by reading 103 books! **Amber Ross**, **Zack** and **Luke's** summer nanny, is in London and enjoying her travelling. She sends her "giddyay" to everyone at Camp Foley. **Jill Doerr** is now a new resident of Minneapolis and living with **Michelle Ross**. **Beth Berger** is currently applying to graduate school in the Chicago area. **Jeannette Morse** is extremely busy with several jobs and school but finds time to think of camp and friendships. **Brad Yerhot** played rugby for a club that took second in state for St. Cloud State. **Dan Combs** is engaged with a July wedding in the plans. Remember: We want your news in our Notes!

Elizabeth Ingram, Alli Faricy, Lindsay Dowdle, Clair Rabun, & Megan Tauer

Tripping Overview

Camp Foley has traditionally offered canoe trips enabling campers to experience an overnight camping trip in a wilderness setting. In past years, trips up to 14 days would explore the vast wilderness areas of the Quetico and B.W.C.A. (Boundary Waters Canoe Area). When talking to many of our alumni, it is obvious that these extended trips were the highlights of their camping experiences and left the greatest lasting impressions.

This past summer, we branched out and added backpacking to the tripping program. Backpacking was an overwhelming success. Many campers completed the three day progression which included learning what to bring on a trip, how to properly fit and pack backpacks, proper clothing to wear, how and where to safely hike, and of course, hiking! The third day was spent day hiking with packs in the Chippewa National Forest. Campers felt it was hard work but worth the effort. They were proud of their accomplishments, especially when trails took them to pristine lakes not easily accessed by those unwilling to travel on foot. Some adventurous campers completed the next phase of the program and went on an overnight trip to Itasca State Park, the headwaters of the Mississippi River, Suomi Hills Recreation Area, or Barnum Lake.

During the summer, a bike trailer was completed to transport ten mountain bikes and camping equipment. This provides campers with more opportunities to bike away from camp. Two day trips were accomplished during the last session and it is predicted that the trailer will be on the move more in '94! We continue to encourage off road, on trail biking, utilizing the hundreds of miles of state and national forests, and logging roads in our area.

Canoe trips continue to be popular and numerous cabin groups paddled to Tepee Island or Big Island for an overnight experience. A group of girls took a one week trip to Voyageurs National Park and returned to camp with new skills, pride, and self fulfillment. We look forward to more tripping in '94!

Thank You Camp Foley Supporters

Word of Foley fun is being spread at an amazing rate. Since September, names of prospective families have been flooding our office because of the efforts of our camp families and alumni. We appreciate the time you've taken during our phone conversations and visits to your communities to share this information with us. We thank all of you that brought new families to our meetings and who are doing a magnificent job of promoting Camp Foley. Unfortunately, we don't always know who refers our prospective families. We do try to acknowledge those that we do know and apologize for those we've missed.

How Do We Provide Campers With The Opportunities To Make Friends?

One of the most frequently asked questions from parents of prospective campers is "Will my child be okay if he/she isn't coming to camp with a friend?" Yes! Every session many campers do venture to Foley without a friend for many different reasons. Foley will assist parents in arranging for children to meet, write or call another camper by providing phone numbers and addresses. Prior to opening day, careful attention is given to composing cabin groups. One important consideration is creating a blend of campers conducive to formulating new friends. On the bus campers are introduced to others who are of similar age and many times to their cabinmates. Cabin counselors personally welcome each camper upon arrival to camp and introduce them to their cabinmates. The first day is spent as a cabin unit getting acquainted and acclimated to camp life. Each cabin participates in a variety of events actively involving the entire cabin. Cabin groups work together with their counselors on conflict resolutions utilizing a positive "Cabin Meeting" approach. Campers participate in an evening program stressing respect, acceptance and cooperation among all members of the group. Many camp events foster friendship building including: camp banquets, friendship campfires, autograph signing and all camp activities.

What are the Counselor Qualifications?

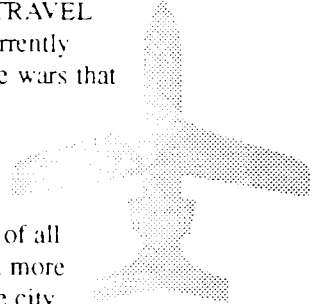

Throughout the years, Camp Foley has maintained a reputation for quality staff. This tradition of caring, talented and enthusiastic counselors has not been by accident. When we choose our staff, we are selecting adults who will be positive role models for young people. We personally have to be able to answer "yes" to the following question, "Would I trust this person with my own child in the camp environment?" Before we hire a prospective staff member, they have: completed an application, had three reference forms completed by former employers or instructors which attests to their character, completed a standardized personal interview, been assessed on their communication skills, personality, self-image, interpersonal skills, values, maturity and intellect, and been found to have the initial knowledge, experience and abilities to instruct at least two activities taught at camp.

When a staff member signs a contract, he or she signs a commitment to the values and philosophy of Camp Foley. Each staff member completes an intensive training program at Camp Foley before the campers arrive. This 10 or 11 day session is one of the longest training periods in comparison to other camps. Our staff actively rehearse all emergency procedures, attend seminars on discipline, sexual abuse, age characteristics of campers, cabin living, health and safety, program planning, and the philosophy, goals and objectives of Camp Foley. Our four full time directors continuously evaluate and support each staff member through morning staff meetings and personal evaluations of their instruction in activities and work in the cabin group.

What About Airline Transportation?

When a camper flies to the Minneapolis/St. Paul Airport, they are greeted at their arrival gate by a Foley staff member. Every camper calls their parent or guardian to inform them of their safe arrival. Foley staff provide supervision in the airport, introduce new campers, collect airline tickets, help with luggage and assist campers onto chartered, camp supervised motor coach buses.

Should you wish to arrange airline travel with our agent, Sheila Sigel, contact TRAVEL ONE at 1-800-245-1111. Sheila is currently researching the many anticipated price wars that should provide substantial savings on summer fares. It is not too early to give her a call with your travel plans. A manifest will be provided to Camp Foley with the names and flight times of all campers utilizing their service. When more than one camper travels from the same city, Travel One makes every effort to arrange the same flight for those children. Specific seating assignments may also be requested.

Are The Camp Facilities Available For Use By Other Groups?

Foley's warm hospitality awaits family reunions, retreats or other special interest groups. Weekends in May, the couple of weeks in early June or late August and the month of September are ideal times to schedule the use of Foley's facility. Foley provides meals, lodging and program assistance. Contact the camp office for further information on availability, cost and reservations.

Is Camp Foley Accredited By Any Organization?

"Parents expect their children to attend accredited schools. They also deserve a camp experience that is reviewed and accredited by an expert, independent organization," stated Dr. Margery Scanlin, Director of the American Camping Association's Standards program. Scanlin continues, "By being ACA accredited, Camp Foley demonstrates that they care about their campers and comply with the highest quality standards designed specifically for camps."

Camp Foley is looking for an RN, licensed in Minnesota to be our camp nurse from June 29 to July 19. Call Marie at 612-633-4881.

Attention Foley Sailors!

So you've sailed at camp before and you think you know what to expect when you arrive at the top of the Marina. Wrong! What is U.S. Sailing? Are you ready for MOB's? Do you know what the S.T.A.R. method is of teaching sailing? Do you know the sailing control signals? New games, new approaches, new racing strategies and a new class of boat will all be part of the 1994 sailing program.

Great New Art Projects

Hey campers! Great ideas are on the Foley horizon and some will set sail this summer in our Art program. A sneak preview reveals the following array of activities featuring: recycled cloth coil baskets, sun prints, nature collages utilizing natural fibers, clay beads, corn husk dolls, dream catchers, stick weaving, bracelets, jewelry making, masks, and more! Caught your interest yet? There will be plenty of projects that will stimulate your creativity and draw in the natural elements that surround you at camp!

Lake Superior Sail Trip

During the three week session, two three day trips will be setting sail on Lake Superior. Don't be left on shore as this beautiful 42' ketch sails around the Apostle Islands. Cost is \$265.00. Join these other thirteen and older sailors. **Boy's Trip:** Bennett Gold, Michael Mahony, Nathan Combs and Kyle Young. **Girl's Trip:** Katie Frank, Heather Matthews, Krissy Bussman and Liz Kuebel.

North Shore Trip

Minnesota's North Shore of Lake Superior offers some of the most scenic beauty in our country. This summer, between sessions, our long term campers of four, five and eight weeks are heading to the North Shore for some big time fun. Plans call for our trippers to spend three days hiking some incredible trails that lead to spectacular waterfalls, touring Split Rock Light-house, camping along Lake Superior in some breathtaking campsites, and visiting a multitude of state parks in the area. We are also researching the possibility of participating in one of the following: sea kayaking on Lake Superior, an alpine slide, or a whitewater rafting trip. Our adventurous campers will celebrate their accomplishments with a stop off in Duluth for a pizza lunch before returning to camp.

A Special Guest

Ed McGaa, author of The Rainbow Tribe and Mother Earth Spirituality will be visiting Camp Foley this summer in the three week session to share with us some of his Native American jewelry craft skills.

Ed plans to teach interested campers how to make necklaces using beads, imitation bone, horn and other materials which capture the authenticity of Native American style jewelry.

Ed was born on the Oglala Sioux reservation and is an enrolled tribal member. Ed believes that the environmental philosophies of his people should no longer be locked away among the Native Americans alone and that the old wisdom of his people must once again be allowed to work its environmental medicine on the world where it is so desperately needed. He also plans to share some of these thoughts with our Camp Foley community.

CLP's Filling Fast

Our Camper Leadership Program is bursting at the seams! The six positions in each of our two sessions have already filled. However, due to popular demand, we have expanded the program to accommodate four more CLPs in both sessions. Those CLPs currently enrolled in the July 20 - August 16 session are: **Nel Pearson, Katherine Monge, Liz Goodman, Caroline Keating, Louise Edwards and Kate Ryan.** Those CLPs enrolled in our June 22 - July 19 session are: **Alyssa Dotson, Kristin Moorhouse, Colleen Finn, Jenny Dowling, Chris Ramey, Mike O'Keefe and Joe McNearney.**

Applications and more information are available. Act now!

Dishwashers Needed!

Are you fifteen or sixteen and want job experience combined with fun? Then this is for you! Work off \$50.00 per week of your camp tuition by washing dishes once each day and join the dishwashing crew: **Dorothy Dotson, Dana Anthony, Aimee Wardlaw, Maureen Greeley, Sam Bashiti, Christine Godwin and Stephen Kraus.** The camp application and deposit must be in the office to hold a place.

Newsy Notes

Matt Bussmann sang in a Christmas candlelight performance with the St. Louis Children's Choir at Powell Hall. Jim Kelly is participating in a "mock trial competition" through school. Tom Kelly is playing basketball. Michael Mahony plays trumpet in a jazz band that placed fourth in a state competition. Camp would sure like to hear you play taps next summer. Glenn Doyle is in a swing choir at his school. Kyle Doyle played flag football at his local YMCA. John Dowling is playing tennis. Jeff Rauenhorst made front page headlines in the Minneapolis Tribune last fall when he joined 8,000 other young people from the Midwest in their pilgrimage to Colorado to hear and see Pope John Paul. Michael Monge is currently swimming free style and placing very high in competitions. Steve Lukasewycz is downhill racing. Dan Lenmark is downhill racing for USSA and is also working as a stage manager at his school. Ted Ryan and family almost met up with Jason and Jeremy Hillenbrand while on a recent trip to Chicago. Jerry Boland is on the "C" squad basketball team at St. Joseph School. Alex Behrens spent Martin Luther King day at the Mall Of America with friends. Charlie Johnson is now attending St. Thomas Academy. Beau Jorgensen is taking a break from gymnastics and is pursuing Tae Kwan Do. James Klaas is playing the saxophone in his school band and racing for the Ski Jammers. Brett Mitchell spends his free time on his computer, repairing watches and conducting electrical experiments. Jeff Strobach is a point guard on his school basketball team. Chris Meloy is playing saxophone in his school band. Matt and Joe Hickey are very busy with hockey and basketball. Brian Girgen is playing hockey for Rosemount as their center. Chris Olson is a member of the Minnesota Boys Choir and will be on tour in Europe with the choir for part of the summer. Brian Thill is enjoying many winter sports. He is involved in ice hockey, skating, and skiing. He has been asked to join the Metropolitan Boys Choir but hockey may win out! John Kelly is playing lots of hockey. Steve Kraus starred as the lead role in the production of Once Upon A Mattress at Chaska High School in November. He has recently tried out for a part in Rally Round the Flag Boys.

After Camp BWCA Trip

Boys and Girls, Ages 14 - 16

Do you and your friends want to go to the BWCA? Are you looking for a fantastic experience before school starts? Do you or your parents want to save the hassles of organizing the trip from transportation to food, from equipment to trip leaders and have the security that it will just happen? Then this trip, which runs from August 16 - 25, is for you.

This trip promises to be a fun filled adventure. You'll explore one of our nation's most pristine wilderness areas, fish its abundant waters, swim in crystal clear lakes, learn to prepare gourmet meals in the out of doors and acquire orienteering skills enabling you to navigate on your own. Share in an experience that will find you ending each day beneath a majestic sunset. Relax around a campfire and gaze at the spectacular northern lights. Catch a glimpse of the wide array of constellations more clearly visible in the wilderness. A great sense of accomplishment and memories like these will last you a lifetime. All this and more awaits you. Sign up now!

Both the girl's trip and the boy's trip will have two trip leaders, trained and experienced, both in the area of tripping and working with teenagers. At least one of the leaders on each trip will have certifications in CPR, First Aid, and Lifeguard Training. All will meet the high standards that Foley expects of its staff.

Family Camp - August 17 - 21

Welcome

Camp Foley is waiting to provide your family with wonderful hospitality, wholesome meals, activity scheduling assistance, recreational supervision, and a vacation filled with memories to last a lifetime. We hope you will enjoy Foley's setting on the prestigious Whitefish Lake, the land and water activities, campfires, songs, and the other special events. Come and experience all that Foley has to offer.

Local attractions in the area surrounding Camp Foley include golf, movies, museums, waterslides, amusement parks, western riding, restaurants, antique shops, and stores displaying the craft and art work of local Minnesotans.

Accommodations/Meals

Families will sleep well in rustic cabins used in our summer camp program. Each cabin can accommodate approximately nine people; in some buildings up to eighteen can be housed. Family friends may request shared living quarters. Foley's clean cabins have both bunk and single beds, space for personal belongings, electricity, a desk or table, chairs, and a wood burning stove to keep families toasty warm on cool evenings. There are centrally located washroom facilities equipped with electricity, showers and dressing areas, toilets, and circular wash fountains. Three wholesome meals are served family style each day including a salad bar at the evening meal. Favorite entrees of campers and alumni will be served, in addition to a special closing banquet on Saturday evening.

Program

Step into the quiet and peaceful north woods and select the activities that interest you or choose to relax in camp's beautiful setting. Foley's fun loving and caring staff will assist you at a variety of activities from pulling skiers to skippering sailboats. Foley's talented staff will enrich your days and evenings with songs, stories, group games, and special events.

Each day, Foley staff will assist you at archery, boardsailing, canoeing, fishing, riflery, sailing, swimming, and waterskiing, providing equipment, direction, and safety management. A play group for younger children will be staffed each morning, allowing parents an opportunity to attend activities not suited for children under six. Beyond play group, the four days are designed for families to attend activities together. As parents, you are sensitive to the supervision needs of your children and we kindly ask you to assume that responsibility. Families are welcome to use the basketball, tetherball, tennis and sand volleyball courts, open fields for group games, and hiking trails without Foley staff assistance.

Foley will provide all of the equipment needed at staffed activities and athletic equipment such as bats, balls, bases, frisbees, beginner tennis rackets and practice balls. There is an additional charge for the ammunition used at the rifle range.

Dates/Costs/Registration

A family may register to attend Family Camp from lunch on Wednesday, August 17 to breakfast on Sunday, August 21 opting to stay from two to four days. The rate per day is \$45.00 per person or \$150.00 for all four days. Children between three and five are \$30.00 per day or \$100.00 for all four days. Those age two and under are free. Extra charges are made for items purchased on a cash basis in our camp store and for ammunition used on the rifle range. Our program officially begins with lunch on August 17. Approximate arrival and departure times are requested to assist us in making your stay enjoyable. A \$25.00 deposit per person is requested with the remaining balance due August 1st. Should cancellation occur prior to June 1, \$15.00 of the \$25.00 per person deposit will be refunded. A \$10.00 service fee per applicant will be charged.

What to Bring

Bring sleeping bags, pillows, towels, lifejackets, swimsuits, tennis rackets, fishing poles, hiking shoes, instruments, cameras, binoculars, and recreational clothes for four days. A warm jacket or sweatshirt for cool evenings is recommended. Foley has a limited supply of toddler and infant equipment, please check before arriving. Bringing a boat? Contact us to make arrangements. Sorry---no pets or fireworks.

Weather

August in Minnesota means sunny weather, warm lakes, lush grass on Foley green, the call of a loon, a glimpse of an eagle, clear skies, and northern lights. It can also mean cool evenings just right for settling down around a blazing campfire. August's average daytime temperature is 80 degrees with evening temperatures of 60 degrees.

Location/Directions

Camp Foley is located on the north shore of Whitefish Lake in North Central Minnesota, 180 miles north of Minneapolis and St. Paul. Whitefish Lake is a beautiful 4000 acre lake of crystal clear water with a sandy bottom. It is one of 22 lakes on the chain. Foley's forested lakeshore site of 100 acres with 1000 feet of shoreline, is abundant with plant and animal life. This enchanting site creates an ideal setting for a dynamic family camping experience.

Directions to Camp Foley from Brainerd, MN: Highway 371 north to the town of Jenkins. Turn right on "North Whitefish Road" or County #15. Proceed 5.5 miles to County #1, turn right and follow #1 for 5.4 miles to County #134. Turn right and follow road for 3 miles to camp.

Just to Let You Know

We ask that you are considerate of the following policies. Out of respect to a variety of family values regarding smoking and alcohol consumption in front of children, we kindly ask that you smoke only in the designated area and keep all alcohol and its consumption to your living quarters. Underage usage of alcohol or tobacco products is not allowed. To insure safety in camp watercraft, lifejackets are to be worn by all participants at all times.

Participant Agreement

It is expressly understood and agreed that Camp Foley shall not be responsible or legally liable for any losses of personal property or for any bodily injuries, or the results thereof, incurred and suffered by the participant on any property of Camp Foley, or in connection with any activities or programs, unless such loss of injury results directly from the negligent or willful act of an employee of Camp Foley acting within the scope of his/her employment.

Participant understands the dangers inherent in the activities offered at Camp Foley. Participant realizes that some of these events may subject him/her to certain stresses and hazards, not all of which can be foreseen. Participant assumes all of the ordinary risks normally inherent to the nature of the activities and events to be conducted and agrees that neither Camp Foley nor any of its directors or staff conducting such activities shall be responsible for any damages or injuries resulting to participant in the absence of evidence of gross negligence.

Any medical costs incurred on behalf of participant shall be the sole responsibility of participant and/or his/her parent or legal guardian.

Participant consents to the taking and use of any slides, photographs or videotaping during the program, whether for advertising, promotion and publicity purposes by Camp Foley and waives all claims for any compensation for such use or for damage. Participant agrees to having its name, address, and phone number printed for use in Family Camp or for future references.

Each participant is expected to handle himself or herself in a reasonable and responsible manner. A parent or legal guardian has sole responsibility of all minor children including, but not limited to their supervision and conduct.

Participant agrees to follow any rules and regulations established by Camp Foley to safely operate its program or to ensure the well being of its participants.

All references to "participant" shall be deemed to include the parent or legal guardian of such participant who is a minor in addition to the adult participant. I have read this application and agree to the policies and services provided as stated.

**READ THIS
INFORMATION**

These can be some of the best years of your life. I recently read an article that one can work, travel, hang around the mall, or take driver's ed for the rest of their lives, but the years at camp are quite limited. Where else can you hang out with your peers for two weeks or more, have the stimulation of a variety of activities, make friends or deepen existing friendships, combine it with a job or a new experience such as sailing on Lake Superior or canoeing in the BWCA? These are the best camping years of your life--- make the most of them at Camp Foley. Read on and find out more! *Marie Schmid*

Opportunities and Stuff

CLP

Our CLP program is bursting at the seams! The six positions in each of our two sessions have already filled. However, due to popular demand, we have expanded the program to accommodate four more CLPs in both our sessions. Those CLPs enrolled in our June 22 - July 19 session are: **Alyssa Dotson, Kristin Moorhouse, Colleen Finn, Jenny Dowling, Chris Ramey, Mike O'Keefe, Joe McNearney and Mike Boulware.** Those CLPs currently enrolled in the July 20 - August 16 session are: **Nel Pearson, Katherine Monge, Liz Goodman, Caroline Keating, Louise Edwards, Laura Merrick and Kate Ryan.**

The Camper Leadership Program is a varied experience for individuals who are sixteen or seventeen years of age. Experience is gained by assisting staff with younger campers, attending leadership training meetings, working in our camp kitchen on a rotational basis, and being a positive role model. It is a four week commitment at a reduced tuition rate.

As compared to our previous CLP program, this summer there will be more emphasis on CLPs working with the younger campers, more leadership training, fewer hours in the kitchen, more time as a cabin group, and more time to increase skills and participate in favorite aspects of camp--sailing, racing and tripping.

Because space is limited in this program, we must hear from you soon to reserve a place for you. If you are interested, please contact the camp office for more information and a special application.

Dishwashers

Dishwashers Needed! Are you fifteen or sixteen and want job experience combined with fun? Then this is for you! Work off \$50.00 per week of your camp tuition by washing dishes once each day and join the dishwashing crew: **Dorothy Dotson, Dana Anthony, Aimee Wardlaw, Maureen Greeley, Sam Bashiti, Christine Godwin and Stephen Kraus.** The camp application and deposit must be in the office to hold a place.

Sail Trip

During the three week session, two three day trips will be setting sail on Lake Superior. Don't be left on shore as this beautiful 42' ketch sails around the Apostle Islands. Cost is \$265.00. Join these other thirteen and older sailors. **Boy's Trip: Bennett Gold, Michael Mahony, Nathan Combs and Kyle Young** **Girl's Trip: Katie Frank, Heather Matthews, Krissy Bussman and Liz Kuebel.**

It'S Late Night

Where can we add the fun and crazy ideas to make camp even more appealing for our older campers? Evening programs!

Back by popular demand are activities such as the Late Night Adventure complete with a double feature and pizza, a camp dance with 50's music, camp competitive days with other camps in sailing, archery, riflery, tennis, soccer, and other sports, initiatives, cabin challenges or tournaments, and frisbee golf.

New ideas are also being explored which include new traditions like a coffee house, a barbecue complete with "picnic festivities", a song fest at Upper Mosquito, a picnic on Tepee Island, card or game clubs complete with tournaments, special interest classes such as power walking, jogging, video production of a skit, song, etc. to be used in the 1994 Video Reunion, learning a foreign language, line dancing, drawing, or an Emergency Water Safety Course which would run several evenings or all day Sunday, or a hay ride. Send us your ideas! We want to hear from you.

Program Highlights

•Did you know that Jeff was out in San Diego for eight days increasing his skills in teaching sailing as a participant in the US Sailing Association instructor's course?

YES, and here are some exciting additions or changes to Foley's sailing program:

Sailing skills will be broken down and taught using land drills, on the boat drills with no sail up, while sailing, and by viewing a video. These and other new techniques will be used to enhance and speed up the rate at which the various skills are learned. This means that you will learn faster and be sailing those boats by yourself in less time.

•Did you know that the biking program will be off to a terrific start with some new bikes and a completed bike trailer to transport bikes for day rides?

•Did you know that there will be new projects in art and shop to challenge our returning and older campers?

•Did you know that you have the opportunity to make beautiful Native American necklaces with glass beads with guest instructor, Ed McGaa?

•Did you know that the tripping program which includes backpacking, canoeing and biking is continuing to expand?

CAMP FOLEY

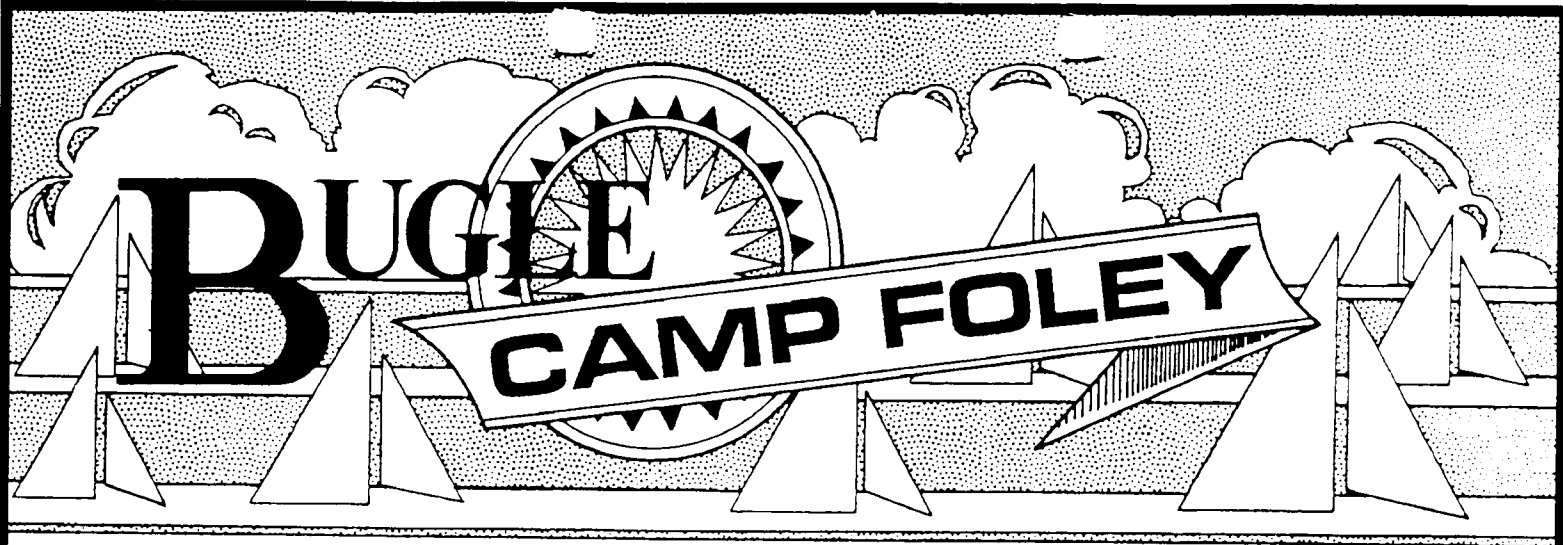

Confused about which way to go?

Just remember, you have your whole life to work. Come to camp again and feel the warmth of your friendships renewed or made and experience the great activities one more time!

Don't be dismayed at goodbyes
A farewell is necessary before
You can meet again
And meeting again
after moments of lifetimes
is certain for those
Who are friends.

What Does it Take?

To be a Camp Foley **camper** one must be able to:

- smile, you can't get by without one
- enjoy being with friends around a campfire roasting smores!
- enjoy working with your cabin mates towards a common goal
- like the warm feeling of acceptance that comes from making new friends
- laugh at the nutty things that counselors are known to do
- enjoy being yourself
- independently and open-mindedly select activities from the wide variety offered at Camp Foley
- try something new, whether its being the lead singer in your cabin's lip sync band, getting up on waterskis for the first time, or enjoying Delores's homemade soda bread
- have fun!!!**

To be a Camp Foley **counselor** one must be able to:

- love helping children of all ages
- have the imagination of a child
- memorize and recall the names of every child in camp in a matter of seconds
- make perfectly round pancakes over an open fire or at least something that resembles pancakes
- be flexible (not physically), free-spirited, and fun loving all at the same time
- laugh at yourself

In short, Camp Foley is a place where everyone can be themselves while enjoying the great outdoors, trying new things, and making new friends. There is always something new and exciting so everyone can join in on the fun. The new challenges you encounter and the friendships you make at Camp Foley will be remembered for a lifetime.

Hey Kids!

Are you ready for an unbelievable totally cool summer? Thinking about all that fun and sun reminds us of the great activities that will be awaiting your arrival at camp. To introduce you to some of these activities, read on...

What's Up Shop?

Does building hat racks, bird feeders, jewelry racks, pencil holders, birchbark wall hangings, sailboats, pine derby cars, cassette boxes and other fun projects sound like something you would enjoy? If so, then shop will be a place you will want to check out this summer.

Smart Art!

Exciting arts and crafts are awaiting you. The art program will feature projects that will stimulate your creativity and draw in the natural elements that surround you at camp.

It's A Hit!

Have you strung a bow? Knocked an arrow? Scored your own target points? At archery you'll learn all parts of the bow and arrow, how to safely aim and shoot, and keep your own score. For every skill level achieved, an award is presented at the closing campfire. Riflery is another popular activity where campers learn more than just the basics. Safety is incorporated into every aspect of teaching from learning the parts of the rifle to shooting and scoring.

A Camping We Will Go...

Foley offers camping overnight opportunities at Tipi Village (sleeping in Sioux style tipis), on two islands in Whitefish Lake, and at Upper Mosquito camp site. Campers either hike or travel by boat to these sites and will cook out, eat smores, sing around the campfire, star gaze and have a great time!

Backpacking and OLS (Outdoor Living Skills) are two programs that prepare campers for out of camp trips. Campers will learn how to properly dress, pack, carry their gear, learn how to use a map and compass, and set up a camp site.

Land Sports!

Bring your rackets and baseball gloves and get ready for action on camp's two tennis courts, soccer and baseball playing field, sand volleyball court, and basketball court. Campers can participate in cabin challenges, intercamp and intracamp competitions and clinics during daily instructional times, free time and as part of evening programs.

Snakes Alive!

Would you like to learn more about the plants and animals of the forest? Would you like a closer look at their habitats? Then you will want to join us at the Nature Center which is home to several different species of reptiles and to a collection of skulls, skins, and skeletons from various animals found throughout Minnesota.

On The Waterfront

Our Marina facility, equipment, and programs are one of the finest in the country. You can try canoeing, boardsailing, waterskiing, sailing class and sail racing. All these classes are for the beginner through advanced level participants. We also have a fishing program that will test our anglers abilities and story telling techniques. At the swim dock, you can participate in our American Red Cross swimming lessons as well as our snorkeling class or springboard diving. All of our swimming activities are for beginners to advanced and include a TON OF FUN!

Special Days

Have you ever wondered what it was like to live on the frontier in the early 1800's? Find out this summer as Camp Foley transforms itself into a pioneer village making their own butter, soap, and kettle corn. Current plans call for additional demonstrations in sheepshearing, blacksmithing, dulcimer playing, clogging, and storytelling. Some costume ideas include: girls--Laura Ingalls' type clothing such as sun bonnets, long skirts with long aprons and leggings; boys--suspenders, knickers or sweatpants with tube socks, flannel shirts, handkerchiefs, hats, long underwear, and bushy beards. Use your imagination and have fun thinking of what to wear!

Final Banquet Theme

The Rock 'N Roll 1950's Era of hoola hoops, Elvis Presley, and white bobby socks will be reborn at the final banquet of each session. Come dressed for the occasion by bringing costumes such as: girls--pop beads, paste on rhinestones, hoop flair skirts, white bobby socks, ribbons for your "pony tails", saddle shoes, red lipstick and nail polish, and batons; boys--rolled up jeans, white t-shirts, fake tatoos, grease for your hair, letter jackets, sunglasses, thin ties, etc. Get ready to rock 'n roll!

Fencing is Back!

You won't want to miss our new and exciting fencing program this summer --with a German twist! Miriam Weiler, our international counselor from Germany has been hired specifically to teach campers the basics of fencing including foil, epee, and sabre. Come and check it out!

How is swimming tested?

Learning to swim is a valuable lifetime skill and safety on the water is a primary concern both at camp and throughout one's lifetime. Because campers typically spend at least half of their day at camp on or near the lake, testing gives us the security of knowing if they have the strength and composure to handle themselves in an emergency situation. Providing swimming instruction has two other benefits; it enhances the child's ability and helps improve their coordination. For these reasons, we test campers to either pass them out of swimming lessons or place them in the appropriate class according to their skill level.

In order for a camper to test out of swim lessons, they must possess American Red Cross Level 5 or intermediate swimming skills. The first part of the swim test will include a lifejacket check, watercraft safety information and a five minute interval of treading water to evaluate endurance. The second part is a stroke check. There are five strokes that will be tested; the front crawl, elementary backstroke, sidestroke, breaststroke, and back crawl. In order for a camper to pass out of swim lessons, they must complete the five minute tread and be able to demonstrate complete proficiency in three out of the five strokes. Campers must also show adequate ability in the other two strokes.

All campers who have been to Foley in the past and have passed the intermediate skills test will not be required to retake the stroke check. Everyone else who has not completed that level of swimming at Camp Foley, both new and returning campers, will be tested. Notes from swim coaches and copies of certifications from other aquatic facilities will be taken into consideration when evaluating camper's swimming abilities. We encourage parents to send copies of awarded certifications to the camp office before the camper arrives. This prevents the originals from getting lost or damaged.

Travel Arrangements

Parents choosing to make their own flight arrangements rather than using our agent, Sheila Sigel of Travel One (1-800-245-1111) may book flights on any airline so that arrival into the Minneapolis/St. Paul International Airport is before 10:00 a.m. on the opening day of the session and departure is after 2:00 p.m. on the last day of the session. If you are making your own flight arrangements it is extremely important that you notify camp of the pertinent information as soon as you have it.

Parents interested in using the bus transportation from Our Lady of Grace in Minneapolis can look for the information that will be forthcoming later this spring.

If you have any concerns or questions about your travel plans, please call us at the camp office.

Testimonials

"My parents' decision to send me to camp was probably the best thing they ever did for me. Learning to be independent, a good friend, creative, and a good leader are all skills that will help me throughout my life. This experience helped me to develop into a well rounded individual."

Camper in Leadership Program, age 17 from North Dakota

"We could tell that our son had a rewarding camping experience from the moment we picked him up. He had a wonderful counselor who helped make him feel very comfortable and quite at home. We appreciated that so much, as our son has not wanted to be away from us for any length of time. We feel his self-confidence level has improved 100 percent. Thank you for teaching him skills and also instilling a great value system."

Parent of an eleven year old from Minnesota

"Our daughter had a wonderful camp experience. Her eagerly awaited letters were full of enthusiasm about new friends, activities, counselors, and the food. All the reports regarding counselors were very positive. They are obviously very well trained and have a love for children. We are very comfortable sending our daughter to Camp Foley."

Parent of an eleven old girl from Minnesota

"Your camp offers a wonderful experience to children and we are thrilled with the opportunity our son had to participate in such a great program. I am very happy with the medical care our son receives from your nurse. He loved the counselors and campers he met this year and last year. He plans to see you again next summer."

Parent of a thirteen year old from Missouri

"I must thank you for the wonderful experiences my daughter has had at Camp Foley these past two summers. Throughout the year, she has been able to draw upon those experiences which have enriched her self-esteem, sociability and classroom life. The counselors seem to have been quite kind, knowledgeable and helpful to my daughter. Overall, I feel your camp has been one of the most favorable aspects of my daughter's life away from home."

Parent of a fifteen year old from Michigan

Meet some of our 1994 Staff

Throughout the years, Camp Foley has maintained a reputation for quality staff. This tradition of caring, talented and enthusiastic counselors has not been by accident. When we choose our staff, we are selecting adults who will be positive role models for our campers. As directors, we have to be able to answer "yes" to the following question, "Would I trust this person with my own son or daughter in the camp environment?"

With great enthusiasm, we would like to introduce a few of our staff that will be joining us in 1994!

Beth Berger, a long time camper and staff member of Foley will be returning to her Co-Marina Supervisor position of last year. She brings her sailing expertise, her warmth as a cabin counselor and her love of camp along with her. Beth will want to see lots of campers filling sailboats this summer and tapping the years of sailing experience she has to offer. Currently, she is attending graduate school in the field of education in Chicago.

Karen Blazek joins us from the University of Iowa where she is graduating in Sport and Recreation Management. She will be instructing in the areas of art and backpacking and will work as a cabin counselor. Karen is looking forward to sharing her abilities with campers while having lots of fun.

Megan Burnett spent six years at Foley as a camper. CLP (Camper Leadership Program) and an Assistant Counselor. She joins us this summer as a counselor working with the 13 - 15 year old girls. She will be instructing in sailing, boardsailing and tennis. Megan is enthusiastic and anxious to share the knowledge she has gained from her years as a camper at Foley.

Corie Colacino joins us from the University of Notre Dame where she is a Chemistry major. Corie spent four years at Camp Foley as a camper and is looking forward to returning as a counselor working with 13 - 15 year old girls. She will be teaching in a variety of activity areas. Corie hopes to share her experiences and love of Camp Foley with many of the campers this summer.

Bridget Connelly, is from Hastings, Minnesota and is attending the University of Minnesota Duluth majoring in Physical Education. Bridget will be a counselor instructing in snorkeling, biking, and canoeing. She describes herself as "full of energy and enthusiasm" and can hardly wait until camp!

Anne Jaeger joins us for her third year at Foley bringing an abundance of experience. She will be the Trip Leader Activity Head. Anne is certified in lifeguard training, CPR, and first aid and enjoys teaching campers outdoor tripping skills while organizing and leading wilderness trips. She graduates from the University of Minnesota in March with a degree in Natural Resources and Environmental Studies.

Dan Lenmark joins us for his fifth summer completing our Camper Leadership Program last summer. An Anchor Award recipient, (voted on by campers/staff honoring outstanding campers) Dan is looking forward to returning to Foley to share his knowledge in the areas of sailing, boardsailing and biking.

Steve Lukasewycz has spent the last five summers as a camper at Foley, participating in the Camp Leadership Program in 1993. Steve absolutely loves the waterfront and will be an Assistant Counselor instructing in sailing, boardsailing and biking as well as working with the younger campers.

Michelle Mertens is attending the University of Iowa as a Pre-Nursing Major. Michelle will be a cabin counselor for girls ages 8 to 12 and will be instructing in art and nature. She looks forward to fulfilling a life long dream of being a cabin counselor and working with children.

Michael Monge, a 1993 Gold Paddle recipient, (the highest honor a camper can earn at Camp Foley) has spent eight years at camp. He completed the Camp Leadership Program in 1993. His years of camping has more than prepared him to assist in sailing, boardsailing, and soccer. Michael will also assist with a cabin group of younger boys.

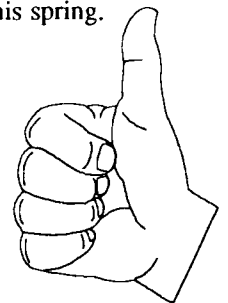

Brian Mulheran joins us for his second year as a Foley staff member having completed the Assistant Counselor program last year. Brian is anxious to return to camp to instruct in boardsailing, riflery, and tennis. Brian will be working as an counselor with a cabin of younger boys.

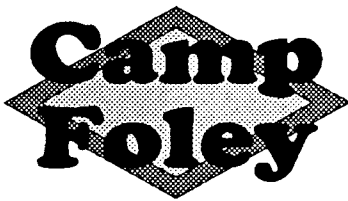

Greg Mulheran also joins us for his second year as a Foley staff member having completed the Assistant Counselor program last year. Greg will be instructing soccer, riflery, athletics, and will be a trip leader assistant. He will be a cabin counselor working with 10 - 13 year old boys.

Jake Wavra is a Camp Management and Counseling major at North Dakota State University in Fargo. This will be his first year at Foley and he is looking forward to instructing in biking, tennis and canoeing. Jake loves the out of doors and can think of nothing better than to spend his summer working with children at camp.

Miriam Weller is one of our international staff members joining us from Germany. Miriam will be adding a spark to our fencing program bringing with her new ideas and techniques for instruction. Fencing is one of Miriam's focal points and she is currently working on her license to coach. Miriam will also be instructing in riflery and swimming, and she plays the flute!

Brad Yerhot joins us for his fourth summer on our staff. Brad will be sharing the responsibility of overseeing the many fun, safe, and quality programs on the waterfront as our other Co-Marina Supervisor. Brad will be encouraging campers of all ages to join him for waterskiing, boardsailing, canoeing and fishing. Remember, that Brad also will have a fleet of plastic kayaks to fill with enthusiastic campers. Brad attends St. Cloud State University and will be graduating this spring.

Boardsailing - Level 4 (Advanced Beginner) swimming skills, and strength to pull up the sail.

Diving - Level 4 (Advanced Beginner) swimming skills.

Riflery - Eight years of age or older.

Snorkeling - Level 4 (Advanced Beginner) swimming skills.

Trap Shooting - Twelve years of age or older.

Waterskiing - Level 5 (Intermediate) swimming skills.

All activities are progressive and challenge both the beginner and advanced camper.

Swimming Lessons are required through Level 5 unless a parent makes other arrangements. Intermediate skills include swimming 50 yards of front crawl, elementary back stroke, breast stroke, side stroke, back crawl, survival float, treading water and diving. Endurance is also considered.

CAMP FOLEY assumes no liability for loss or damage to campers' personal property or for injury incurred as a result of use of personal property. Foley discourages all borrowing and lending among anyone living or working in camp. Campers may never use "special personal equipment" owned by other campers or staff such as: watercraft, skis, bows, rifles, musical instruments, aquatic equipment, or other items that are associated with specific risks (health, financial, accidents, etc.).

A list of names, addresses, and phone numbers of campers and staff will be printed for campers' use. Pictures are taken and used in camp promotion and fun mailings throughout the year. Upon request, your child can be excluded.

Personal property left by campers will be returned only upon request by parents, and at their expense. Expensive items when found and clearly marked, are returned.

Any money or valuables in the campers' possession upon arrival at camp may be deposited at the office for safe keeping. The camp assumes no responsibility for funds or valuables not so deposited.

Campers will be held responsible for damage to property and equipment caused by their negligence and will be charged accordingly for repairs or replacement.

We reserve the right to dismiss any camper whose conduct is harmful to the camp. It is understood and agreed, by camp and parents, that possession or use of tobacco, alcohol, or controlled substances while enrolled in camp can bring immediate dismissal.

Clothes list, Physical and Health History forms are sent with registration acknowledgement.
