

# CAMP FOLEY

## Coyote Campers Rock!

### Who are the Coyotes?

You are! Coyotes are campers who will be in 7<sup>th</sup> Grade or younger in the fall of '01.

### What cabins do the Coyote campers live in?

All of the cabins are Native American names with the Coyote boys living in Mandan, Kewaskum, Kadigomeg, Shingwako, Seneca and sometimes Kildare. The Coyote girls live in Menominee, Yakama, Ishtakaba, Micmac, Sacajawea and sometimes Matoaka.

### Have you hired any counselors?

We are very busy with recruiting counselors! We have final commitments from returning counselors such as Maggie Enz, Carrie Anderson and Lori Jones who will be in the Coyote girl cabins and Ryan Johnson and Jason Crum will be living in the Coyote boy cabins. Alli Faricy and Matt Cottrill are returning but will be living in the Wolf or older cabins. We are finalizing plans for the following past counselors to return - Sarah Underwood, Martha Kaskie, KJ Tan, Pat Juelich, Emily Johnson, and Erin Wall. Rumor has it that Paul Walker and perhaps Ryan Grelle will be joining us. We want to welcome two new counselors who have joined the team - Danielle Lindquist and Becca Styba. And there are others who we are waiting to hear from...

### What's new at Camp?

- New activities at 11:30 Fun Time such as walking on stilts!
- Opportunity to play LaCrosse with new equipment!
- New dance CDs for the all camp dance. Let Alli Faricy know of songs that would be fun to dance to at [rubyredsquirtpix@hotmail.com](mailto:rbyredsquirtpix@hotmail.com)
- A personal Activity Guide listing all of the activities at camp, the awards, and requirements to reach these goals will be given to every camper. A wonderful resource to set personal goals.
- New beds in Kildare cabin.
- A PA system in the dining room.

### Packing Hints

- Open up your disposable cameras and put your name on them!
- Bring your music books, dance routines, magic tricks, etc.

for the talent show.

- Bring your discman and CDs or a good book to relax with before falling to sleep. Remember the flashlight.
- Bring a costume for the final banquet! The sessions starting on June 20 & July 18 will need something for the Harry Potter theme and the sessions starting on July 5 & August 1 will need an old sheet to make into a toga for the Olympic of Old theme.

### Do I really need blankets and a sleeping bag?

Yes! You will make your bed up on arrival days with sheets and blanket. It works the best if you can really tuck your blanket in - easier to make your bed in the morning. You need your sleeping bag for sleepovers in the loft (above the camp kitchen) and for spending the night at Foley's campsites if you are 10 years of age and

Fun at the dance!

younger or for the tripping program if you are 11 years of age or older. They won't let you sleep in your sleeping bag in your cabin unless you are coming to the Introductory to Camp program.

### If I have an idea for camp, what do I do?

We welcome new ideas and would encourage you to contact us with your new idea. We are now looking for new ideas for woodworking shop, crafts and fine arts. Always collecting new ideas for evening programs and 11:30 fun time. We want to hear from you!

Make Your Summer Sizzle!

## New Dining Hall a Raving Success!

A front view.

Completed in mid-April the new Dining Hall received many positive comments ranging from "oooh's" and "ah's" to "stunning". The extra space and modern equipment is wonderful. Stop by and see it sometime!

The porch quickly became a favorite hanging out spot.

# Summer 2000 in Review

Record numbers of campers! 631 total campers attended throughout the summer!

Where did they come from? 25 states were represented with the majority of campers from Minnesota and others coming from states such as: Texas, California, Florida, New York, Iowa, Missouri, Kentucky, Colorado and Hawaii. We also had campers from Mexico, England, Italy, and China.

What was new? New critters in nature including: Smiley the alligator, Stella the Hedgehog, and Taz the boa constrictor. Expanded arts and crafts program with the addition of a "fine arts" activity, which was well received by campers.

Adam & Smiley

Sleepovers in the Dining Hall Loft was a big hit! Art show in the Dining Hall Loft.

Where are the trippers (back packing, biking, canoeing and hiking) going? Jay Cook State Park, (south of Duluth, MN), Savannah State Park (40-50 miles east of Camp Foley), Teepee Island (on White Fish Lake out from camp), Crow Wing River-Huntersville State Forest (35 miles west of Camp Foley), and Foley's Northern Lights (Camp's new adjoining property of approx. 160 acres)

Having some fun backpacking!

## 2000 Dining Hall Light Donors

### A few lights remaining!

Over the years people have often asked about ways to give extra to Camp Foley in support of the camp program for kids. Last spring we started the drive to "light up" the new Dining Hall as a way for families and individuals to give that extra support. Families and individuals have "purchased" 34 of the 40 lights available. If you would still like to participate in this opportunity to designate a light in honor/in memory of someone special there is time to do so. Each light costs \$80.00 and can be paid by check or processed on your Visa or Master Card. Your name and message will be listed on a wood plaque that will be in place by Summer 2001.

Special thanks to those who have already contributed one or more lights. Your on-going commitment to support camping experiences for youth continues to be an investment in the future of many yet to come. Your donation is much appreciated.

# 2000 Scholarship Donors

AWESOME! AMAZING! The "Millenium Challenge" of raising \$6,500.00 was reached and exceeded with a total of \$7,572.84! 16.5% over our goal! Our heartiest thanks and kudos to all of our Camp Foley friends who met the challenge to increase our Scholarship giving! This was a 44.8% increase over 1999 giving! A total of 17 campers (7 were repeat campers) benefited from these donations and came from both inner city and rural settings. Some of these campers are wards of the state, being raised by a grandparent, from low income families struggling to make ends meet, or from needy families seeking opportunities to provide their kids with positive alternatives to inner city gangs, drugs, rural isolation and/or other challenges. Thank you all for making a difference in the lives of Camp Foley's scholarship campers!

*"She did not stop talking about how much fun she had and that she wants to return next year. She was very excited about her awards for nature and climbing. She enjoyed living in the cabin with the other campers. She said she helped the younger campers in her group. She had a wonderful experience at Camp Foley."*

# Lots of fun in 2001!

**Tae Kwon Do** - Thanks to the skills of staff Phil Ostrander Foley will offer Tae Kwon Do as an activity. Phil has been studying this martial arts for 8 years and has his 3<sup>rd</sup> Degree Black Belt. According to Phil, "I learned self discipline, self respect, and how to set goals and to achieve them."

**LaCrosse** - Look forward to more fun with our athletics program. The skills and experience of Matt Crane and Willy Enz in the sport of LaCrosse will enable us to offer you this fun sport. There will be new, better quality equipment available for this activity. More hours of fun and skill building especially for you! You can bring your own stick if you'd like.

The **Climbing Tower** will have an added dimension with a third climbing route called the "chimney climb". This will be on the back side of the two current walls, on the inside "V" of the current tower. It may also include a bigger ledge that climbers climb on the underside to get over it. This will offer an added challenge to the activity once the other routes are accomplished.

**Sensational Shop** There will be an added dimension to the Shop activities offered this summer with the option for older campers to choose to work on larger projects that ultimately benefit the camp environment. How would you like to be part of making a storage shed for the Northern Lights part of Camp? Or make park benches to be scattered around camp? Wood shelters for our camp sites around camp would be great to help keep firewood dry and ready to use. **Model Rocketry** will also be added to Shop Activities. Campers will build a model rocket from a kit using a small engine to launch them. And a new sailboat design using your creative skills recycling pop cans will add a new dimension to this project.

**Fine Arts** participants will have an opportunity to take a 2 hour session with an area professional watercolor artist, Lois Caughlan. She is known for her birch trees and sunsets, and enjoys teaching what she knows and loves. You'll have the opportunity to learn the tricks of the trade in making birch trees. Take home a piece of the north woods

**Creative Crafts** Try your hand at making your own paper, create fun greeting cards, and other creative paper crafts; make a "musical gem" using needlepoint on plastic canvas and a musical push button inside; a fun sculpted and stuffed "Italian Opera Doll" using your skills working with Sculpey clay and sewing skills.

**New at Riflery** Trap shooters will now have comfort with new benches provided. Matt Cottrill will be returning to head up this activity for his second year.

## 11:30 Fun Time Activities

Do you like blowing bubbles? Here's your chance to expand your bubble skill with **Bubble Mania**. Learn the special skills for doing bubble sculptures, and how to do "camper in a bubble"! Intrigued? Come check it out!

Have you had the opportunity to walk on **stilts** in your life time? It used to be a favorite activity of many of your parents. Try your hand at making some stilts to be used during this fun time of the day, and then try your feet at walking tall!

Time to fly with your very own unique "sky rider" **parachuter**. It'll be fun to make this age old toy and watch them fly back to earth after a personal launch from you!

How about launching your own **bottle rocket**? We are saving lots of 2 liter pop bottles for you to design and launch your rockets using air pressure during this fun time activity.

**Camp Jam** for Wolves Girls and Boys (ages 13 and up). Join this team activity for some wild and crazy fun as you work together to gather points for your team. Here's the challenge: gather points by doing a series of chosen activities from a list. Try solving brain teasers and wuzzles (word puzzles), brainstorming ideas to solve a problem, painting your face, spiking your hair with gel, and more silly, fun, goofy, and sometimes serious challenges.

**M & M Madness** for Coyotes Boys' and Girls' groups (ages 6-12). Join in a fun activity playing Marbles and M & M Bingo (yes, you get to eat the M & M's), M & M guessing

jar, making Monkey Fists, and having Moo Juice and M & M's for snack. A special thank you to our nurses Ann Hagerman and Therese Lebens for their wonderful ideas for this evening.

**Wolves Girls' Sneak Out** continues for the 4<sup>th</sup> year with a new twist. Gather some fun loving girls, music, fun food, candles and enter a magical place. A place where "sisters" bond, you share from the heart, you learn more of who you are, you support your peers, and the magic truly happens. It's one of those moments you carry with you for a lifetime. Come join the magic!

**Slimy Sunday** – Here's a make over of "Slimy Thursday" for the last Sunday of every session. Time again for more sticky, gooey, oozy fun! What is Slimy Sunday? Sit back and think of all the crazy challenges and contests involving eggs, pudding, whipped cream, shaving cream and more .... That's Slimy Sunday! Greased watermelons, pudding slides, and even egg jousting could all be part of this extremely fun and messy afternoon! Bring an old T-shirt and shorts so you can have tons of fun getting slimy!

**More of The Loft** – Need a place to get away as a cabin group for a special night of fun? Bring your sleeping bag, silliness, and snack for a sleepover, fun and movie in The Loft located above the Dining Hall.

**Terrific Talent Show** continues to be a fun activity for campers. Bring your instrument (we have a piano) and music, your poetry, your acting skills, your dance routines and music, your juggling balls, your magic tricks, your impressions, your comedy routines, and more. Name your talent, come prepared to perform, and contribute to a time of fun.

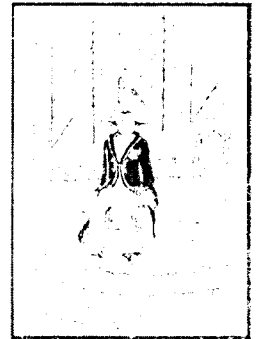

**Wolves Boys' Sneak Out** continues for the 4<sup>th</sup> year with a new twist. A memorable evening is in the works with fun, craziness and more.

## New 2001 Camper Award Guide

You've asked for it and now here it is! The new Camp Foley Camper Award Guide. Each camper will receive their own award guide book that will provide a complete listing of activity awards and the requirements needed to achieve a specific award. There will be space provided for you to establish your personal goals and keep track of your accomplishments in achieving those goals. Blank pages will be available for inserting your award ribbons (see below) and gathering camper autographs. Erin Wall, past camper and 2001 Junior Counselor, is putting her creative skills to use by designing the cover for this awesome camper record and memory book.

## Award Ribbons

This year there will be bright colored, Camp Foley imprinted activity ribbons for awards in each activity rather than the diploma certificates or patches that have been presented in the past. Any award ribbons received can then be put in your Camper Award Guide as part of your records and memories, marking your accomplishments with goals met.

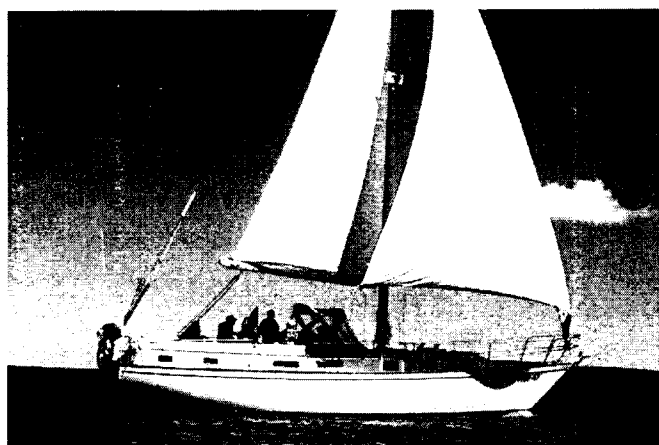

## Dishwashers Needed!

Calling all campers fourteen years and older! We want you to join our dishwashing team! *Limited space.* Where else can you play all day, hang out with your friends, and gain the experience of working? Work off a portion of your camp tuition by washing dishes once each day. *Most importantly if you are a reliable and hardworking dishwasher, it benefits your CIT application or future employment. You can use Foley as a reference on future job applications too.* It is not all work either - the end of the session **Dairy Queen** is very popular. If you are interested, contact the camp office. The following campers are part of this team: **June 20-July 3 - Pat Human, Will Urion, Kacy Walz, Brent Whitehead, and Drew Whitehead; July 5-July 17 - Pat Human, Emily Sell, and Will Urion; July 18-31 - Nick Blahna, Mike Combs, AJ Douglas, Maria Kraus, Emily Pellegrini, and David Scherer; August 1-14 - Lauren Casteneda, Mike Combs, Maria Kraus, and David Scherer.**

# Are You New To Foley???

## Preparing Yourself for Camp

Here are some hints and suggestions to prepare and empower yourself for your experience at Foley:

•**Not a strong swimmer or a little rusty?** Take some lessons or practice before coming to camp to increase your endurance and familiarity with a variety of strokes. Remember that swimming in a lake is different than swimming in a pool!

•**Spend a night or two at a friend's house.** Pretend that you are off to camp and pack your own bags and only call home if there is an emergency.

•**If you don't already do these tasks,** take the initiative to make your own bed, pick up and put away your own clothes, brush your teeth, wash and comb your hair, etc...

•**Practice the "camp bedtime routine"** of using your flashlight to read, write, draw, and/or listen to your Discman quietly for up to 15 minutes before falling to sleep.

•**Practice having "rest period"**, a ½ hour quiet time after lunch where campers are on their beds. Campers are generally found reading, drawing with markers, playing card games or brain teasers, writing letters, beading, doing work puzzles, etc... (Electronic games are not an option.) Put together a rest period kit of fun things to do!

•**Make a letter writing packet.** Include pre-addressed stamped envelopes, pencil/pen, paper, etc.

•**Practice making new friends** – talk about how to do this with specifics

-Smile and say "hello"

-Ask them to walk with you

-Ask them to sit by you

-Move over to include them

-Ask them questions about themselves – Where are you from? What are your favorite activities?

## First Day of Camp – What Happens?

You're excited. You're scared. Your stomach has butterflies and your head is swamped with questions. Will I make a friend? What cabin will I be in? Who will be my counselors? When do I get to pick my activities? When do we eat?!? Wow! You sound just like the rest of our Foley campers! Did you know that kids come to Foley in a variety of ways? Many of our campers fly. The majority rides our special busses. Some arrive by car. And a few even come by boat!

**Here's what happens if you fly to the Minneapolis/St. Paul Airport:**

•Our counselors will meet you at your arrival gate. You'll

have a chance to call home to let your family know of your safe arrival and then it's off to get your luggage and load up the bus. As soon as all the campers have arrived, you're on your way to camp!

**Here's what happens if you are riding the bus to camp:**

•Everybody meets at Our Lady of Grace Church in Edina, MN. Boarding begins at 10:00 a.m. and by 10:30 a.m. the bus is on it's way to Foley!

**What do you do on the bus ride to camp?**

•Meet some of the counselors and campers.

•Start making new friends.

•Begin learning and singing some of the favorite camp songs.

•Eat a yummy bag-type lunch.

•Play games.

•Have FUN!

**What happens when you get to camp?**

•All campers arrive to a chorus of cheers and welcome from staff.

•Meet your cabin counselors who will take you to your cabin and help you find your assigned bunk.

•Meet your cabin mates! Start getting to know them!

•Start unpacking and begin to settle in.

**What happens after that?**

Along with your cabin counselor and cabin mates, you will

•Take a tour of camp

•Meet the camp nurse

•Take the Foley Safety and Endurance Swim Check. This check lets us know what type of swimmer you are. For the check, you'll jump in the water with your lifejacket on and then swim 25 yards. We need to make sure your lifejacket fits you right! After that you'll jump back into the water without your lifejacket and tread water for 5 minutes. After a rest, campers swim 50 yards using the front crawl or breaststroke.

•Sign up and create an activity schedule for the next 3 days

•Play games

•Dinner is at 6:00p.m.

**What happens after we eat?**

•Everyone is off with their cabin groups to learn more about each other, play games, and finish settling in.

•After that it's the Opening Campfire! It is a fun time as our counselors entertain you with funny skits and tricks and goofy songs.

•Our younger cabins have lights out at 9:30 p.m. and our older cabins are soon to follow at 10:15 p.m.

## 2002 Closing Afternoon & Banquet Themes

### Monster Mash Banquet... July 3-July 16 & July 31-August 13

*"He did the mash, He did the monster mash, The monster mash. It was a graveyard smash, He did the mash. It caught on in a flash, He did the mash. He did the monster mash"*

Do you or your parents remember this song? Start off by joining your friends in a Monster Hunt, Monster Ball, and the Monster Smash. Create a dance with your cabin group to the Monster Mash song and be ready for a Monster Performance of dancing and caroling! Get your picture taken with Dracula or Mr. Skinny Bones. Enter the Ghoulish Gathering and be prepared for monster hands to serve you "monster mouths" or a bunch of "eyeballs" (grapes) and of course Frank's Green Fizz out of an Eyeball Tumbler and top it off with a crazy-eye cupcake.

A costume is a must! (Weapon type props and fake blood are to be left at home.) Be creative and join us for Monster Mania!

### Seussville Banquet ...June 19-July 2 & July 17-July 30

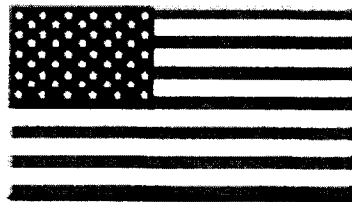

What character will you be for this fun and entertaining event? What mischief is in store from the Cat in the Hat? Can you and/or your cabin recite lines from Dr. Seuss or write your own parodies to share? Will we really eat green eggs and ham or will we have roast beast? Will your team be the Yooks or the Zooks? Or will you be a Plain-Belly or a Star-Belly? Have you ever played Sneetch Ball? Seussville awaits you! What a crazy day we will have together!

A costume is a must! Get out your favorite Dr. Seuss book and be creative! Will you be Red, Thidwick, or Sylvester McBean? Or will you be Mr. Brown, Mr. Lowe or Thing Sing?

### Fourth of July

Come celebrate this day with us! Dress up in red, white and blue, be part of a special flag raising ceremony, enjoy eating hotdogs, watermelon, and ice cream, be a little crazy with the festivities, and join the Foley group at the new "Flick & Float" and catch some of the surrounding fireworks out on the lake. FUN! FUN! FUN!

MAKE YOUR SUMMER STAY!

## Silver Paddle Award

This summer proved to be very rewarding for one particular camper who started camp when he was six years old. The highest award presented to campers age twelve and under is the Silver Paddle Award. Since 1969, only 36 campers have achieved this award. Congratulations **Peter Beltz** who received this high honor during the summer of '01 at the age of 10!

Peter Beltz

## Silver Birchbark Award

The Silver Birchbark Award is awarded to campers 12 and under who complete at least half of the requirements for the Silver Paddle Award. These campers must also exhibit a good and positive attitude and behavior towards everyone. Congratulations to **Breen Hagerman** for working hard and receiving this award!

Breen receiving her award at campfire.

## Anchor Award

The Anchor Award is an award that honors outstanding campers who demonstrate qualities of being friendly, well mannered, respectful, and enthusiastic. All nominees for the award must have attended camp for a minimum of 5 weeks. The recipients are chosen by written vote of both the campers and staff during each session. The 2001 Anchor Awards were presented to the following campers:

June 20-July 3 • **Molly Hagerman and Kevin Liebrock**

July 5-July 17 • **Laura Schmid and Sam Daniels**

July 18-July 31 • **Erica Schmid and Patrick O'Neil**

Aug 1-Aug 14 • **Christine McGarvey and Skip Joyce**

## A Challenge to our '02 Campers

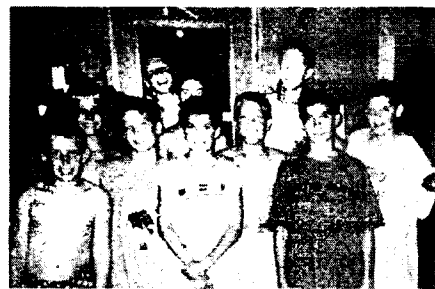

We have a '02 challenge out to our campers! Let's see if this summer, at least one camper can achieve the highest award in every activity! Can you get your *Skipper* in sailing or your *Expert* in riflery or water skiing or your *Advanced* in tennis? Challenge yourself! Set your goals and work to meet these goals.

In '01, we would like to recognize **John Brady and DJ Krause** who received their *American Archer* – the highest award in archery! **Will Urion** paddled and portaged his way through his *Advanced Canoeing* award, the highest canoeing award. Congratulations to these campers.

We do want to congratulate all of our campers who achieved awards this summer. Many, many ribbons were given out and we had many, many smiling faces at the Awards Campfire. 2002 is your summer to continue onward and accomplish another award in the same activity area and to try to achieve some new ones. Setting goals and challenging ourselves builds our character!

## Pictures and Cabin Portfolios

Last summer each cabin had a disposable camera to take fun snapshots of the campers in the cabins. These pictures are going on the web site – updated each Friday and into a Cabin Portfolio binder where campers and staff were encouraged to write or draw their memories of camp. They will be back in the cabins to look at and add onto in '02.

A picture from Shingwako

From *Hiawatha*, written by **Leslie Strobel**, 7<sup>th</sup> year camper

"If I could bottle the energy, the atmosphere at Foley, especially in *Hiawatha* I would. Really, it would be the coolest just to taste, smell, and truly feel Foley when you need it the most. What more can I say about loving it here. *Hiawatha* was truly, absolutely (and I'm not just saying this) the best cabin I've ever had. There is just something about being dropped off with strange, diverse people, making you live with them and turning out great friends. As for memoirs (cool word, huh?) there are too many to list. Every second is a memory here, each memory is an image you cherish forever. Foley is a place I will never forget. You shouldn't forget it either. When I'm on my death bed, this is seriously what I will think about. Well, now I've said my part and 3 other people's parts with it... sorry! I will say goodbye and never forget me Foley!"

Cheers, Leslie

# CAMP FOLEY

## What's happening at camp in January?

We are busy recruiting counselors! And if you would like to help that would be wonderful. You know what makes a good Foley counselor. If you know of someone who is 19 years of age or older and has their summer free from June 9-August 19 and might have an interest in working at Foley, have them contact us or check out our web site at [www.campfoley.com](http://www.campfoley.com).

Kildare is getting new beds. If you will be an 8<sup>th</sup> or 9<sup>th</sup> grade boy next fall, you could be sleeping in these new beds!

We spend time collecting, researching and making ideas reality. If you have some ideas for us, please send them our way. Here are some ideas in the makings...

- Disposable camera in every cabin to capture fun cabin pictures for the web site or memory book.
- A fun afternoon or evening for the older campers is being planned called *Camp Jam!* Campers will be divided into teams and will choose from a variety of tasks to complete to earn the most points! It is crazy! It is fun!
- Want to spice up your food? Add some Tabasco, Horseradish, Soy or garlic to your entrée from the many choices at the condiment cart available at all meals. What would you like to see on this cart?
- Was it hard to hear in the new dining room last summer? A new PA system has been installed to solve this problem.
- Do you have a favorite song for the camp dance? E-mail Alli at [rubyredsquirtpix@hotmail.com](mailto:rubyredsquirtpix@hotmail.com). She is compiling dance CDs so there can be more dancing and less waiting around.
- Collecting quotes or poems about friendship for friendship campfire. If you have any to share, send them our way.
- Every camper will receive an Activity Guide listing all of the awards and the requirements. Set your goals and achieve!
- Shop is going *big* this year. Wolf campers (13 years and older) will have the option of building things for the camp community. What do you think of building an 8'X10' storage shed for the Northern Lights camping area? Or some stilts for 11:30 fun time?
- Foley is going to be purchasing real LaCrosse equipment! Bring your sticks and join the fun.

*Icehouses (tokay, so they are dots) on Whitefish.*

## Session Availability

Check the web site and if your friends are not registered for camp, tell them to hurry up! Space is becoming quite limited. If the session is full, contact us to get on the wait list immediately before they get too long.

WOLF CAMP FOLEY SUMMER SIZZLE!

## Join the Dishwashing Team!

Calling all campers fourteen years and older! We want you to join our dishwashing team! Where else can you play all day, hang out with your friends, and gain the experience of working? Work off a portion of your camp tuition by washing dishes once each day. Most importantly if you are a reliable and hardworking dishwasher, it benefits your CIT application or future employment. You can use Foley as a reference on future job applications too. It is not all work either – the end of the session Dairy Queen is very popular. If you are interested, complete the pink form.

## Camper Leadership Program

There are still openings for 15-year old campers who are looking for more leadership development opportunities in the camp community. It is a great way to develop more leadership skills in a supportive environment. Learn from some of the best teachers you could ever have. Use this experience to prepare for the CIT program, and/or any future work environment you may wish to pursue. These campers have said "Yes": **Nick Blahna, Kara Johnson, Carolyn McDonald, David Scherer, and Lindsay Wilkinson.** If you are interested complete the yellow Camper Leadership Form.
