BUSY HAVING FUN

This summer felt like one of the busiest ones in recent memory, and it was because it was packed with nonstop fun! We were constantly impressed with the energy that campers and staff had each day, which made it such a memorable summer. We saw staff coming up with new programs and activities, and campers challenging themselves to try new things and go for higher awards! **Here are a few highlights from our awesome summer:**

Wilderness Trips

After a few years away, wilderness trips made their return to Camp Foley. Under the guidance of a former camp counselor and expert trip leader, Aaron Briggs, we had three amazing canoe trips on the Crow Wing River. Each time a trip returned, all the campers had smiles on their faces and were eager to tell everyone about their adventures on the river!

Club Night

This year we wanted to find a way to highlight the unique abilities of our counselors by bringing back our camp "Clubs." One evening, counselors came up with a certain club that they wanted to lead based on their skills and interests. The ideas our staff came up with wildly exceeded our expectations! Campers had many different clubs to choose from, like drama, ultimate frisbee, dance, Lego building, sketching, Magic the Gathering, and even Cowboy club! Club Night quickly became one of the favorite nights of the summer!

Hollywood Block Party

During third session, the boy's end of camp transformed into a Hollywood Block Party. There were Hollywood themed games, a walk of fame, counselors were put up for "Academy Awards" that campers voted on, and of course everyone dressed up! At the end of the night, the counselors were awarded Oscars, and had to read an acceptance speech themed Mad-Lib written by the campers. It was a famously fun night.

Cabin Challenges

One of the special day activities this summer was Cabin Challenges. During Cabin Challenges, campers competed against another cabin in one of the classic camp games (human foosball, flag football, kickball, etc.). It was a lot of fun to see some unique cabin matchups across age groups and awesome to see all the cabin pride that campers had during these games.

Summer Highlights

Alpha Games: The Battle of the Factions

The 2022 Alpha Games was an all-session affair this summer! We had 3 major Alpha Games Events each session, **Alpha Spirit Day**, **Alpha Strategy Night**, and the final **Alpha Games Day**. Campers also had the ability to earn 100 points for their team each day with different daily challenges in their activities. In order to be crowned the "Alpha," teams would need to master everything from team chants, to working as a team to create shapes like the state of Minnesota, and even putting together an epic fashion show! At the end of the session, teams divided up into factions based on their strengths and worked to earn points that could be used to gain an advantage in the final relay race. Since there was an opportunity to earn alpha games points every day, no team was ever out of the race, and it made for some very dramatic final Alpha Games Days! **Congratulations to the winning teams this year: Blue Team, Red Team, and Green Team** (in order from 1st to 3rd session).

Holiday Spectacular

A new late-night adventure was introduced to camp this summer, **The Holiday Spectacular!** One night each session all the areas of camp were decorated to celebrate some of our favorite holidays, and campers rotated around to celebrate. There was a **Halloween** themed dodgeball game, a **Thanksgiving** volleyball game, a **Christmas** Crafts making station, Archery Tag for **Valentine's Day** and a **St. Patrick's Day** game that was similar to capture the flag. Our youngest campers had an **Easter** Egg hunt and the winners got to Pie their counselors in the face to celebrate **Pi Day**. Once the sun set, we all gathered to have a **New Year's Eve** ball drop, immediately followed by a Glow-in-the-Dark **4th of July** party! We always wondered what it would be like to celebrate the different holidays at camp, and this year we got a small sample!

Evening Programs

At the start of each session, each age group participated in Evening Programs specifically created for them. Some of these programs had never been seen before at camp, and some were tried and true favorites from previous years.

Cooking night was back for the **Wolf Campers**, who made homemade tortillas, tacos, and churros. They also played Giant Board Games, a life-sized version of Hungry Hungry Hippos, Pickleball, and the oldest campers pitched tents for a night at the beach.

Our **Coyote Campers** got to test out brand new water guns and special vests that change colors when wet! They also had a reverse scavenger hunt, battled in the swamper canoes, played minute to win it challenges, and had a cookout that introduced a brand-new dessert to camp, Woof 'Ems. Woof 'Ems are a biscuit baked around a special stick that makes a pocket inside of it, which you can fill with delicious toppings.

Finally, our **Fox Campers** had a medieval night, a Swim Dock night, played Slip 'N Slide Skee-Ball (skee-ball mixed with a slip 'n slide), and a messy night. During the messy night, campers got to do different types of drawing and crafts that made a mess, and finished the night with a delicious Oreo mug cake!

Summer Highlights

Leadership Program

The LIT and CIT program got quite the change this past year. The program now focuses on preparing participants to be successful independent leaders both inside and outside of camp. The program was split into three categories, **personal growth skills, life skills, and professional skills**. This year participants learned about a variety of topics, such as: different leadership styles, how to be a team player, personal finance skills, writing a resume and cover letter, job interview skills, laundry, home maintenance, and the CITs spent an hour learning about car maintenance (how to change a tire, check oil, etc.). Leadership program members also helped with behind the scenes work and some had the chance to participate in a community service project. We hope the updated program will give participants the chance to learn valuable skills that wouldn't be taught to them anywhere else.

Bridge Crossing

When campers or staff have spent 5 or more years at Foley, they are eligible for their **Bridge Crossing**. They can choose to write a 500-word essay about what camp means to them and then read a paragraph in front of camp. They will then sign their name on a piece of sail cloth that will be sewn into a tapestry and hung in the dining hall. **Congratulations to the following people on completing their Bridge Crossing:**

- 1st Session:** Quinn Cessor-Culver, Maisie Mogard, Walter Ratwik, Anna Turner
- 2nd Session:** Kate Austrian, Michael Butler, Carson Cherveney, Reis Cherveney, Emme Corona, Sarah Henkhaus, Quinn Kadue, Sadie Keckeisen, Kayden Knudsen, Lily Mead, Johnny Reynolds
- 3rd Session:** Diego Barrientos, Klara Hankins, Genevieve Kronschnabel, Zak Worraker

Hall of Fame

Once you have spent 10 years at Camp Foley and completed your Bridge Crossing, you are eligible to enter the **Camp Foley Hall of Fame**. Everyone who enters the Hall of Fame will share some of their favorite camp memories from the past 10 years, before reading their whole Bridge Crossing Essay in front of camp. After entering the Hall of Fame, all members will have their picture hung in the dining hall and receive a special Hall of Fame pin. We had four individuals enter the Hall of Fame this summer. **Congratulations to these four on their historic milestone!**

CAMP MOVES ME

This year our annual fundraiser for the Camp Foley Scholarship Fund, **Camp Moves Me**, is taking place during the whole month of November. During Camp Moves Me, participants exercise throughout the month and reach out to family and friends to ask for support in their campaign. This year we have a great mix of participants from campers, staff members, alumni, and even current parents! The money that is raised goes directly to our scholarship fund, and helps **more kids come to camp who otherwise would not be able to afford it**. We are always blown away by the amount of support we receive during this fundraiser, and are truly grateful to everyone who helps bring the positive experience of camp to more kids each year!

We need your help! So far, we have had a great start to the month of fundraising, but we still have a long way to go! If you are interested in supporting Camp Moves Me, head to our website at campfoley.com/alumni/move-me to donate and learn more. Also, it is not too late to **participate in Camp Moves Me**. Even though it has already started, you can still support the campaign by moving and raising money for the rest of November. If you participate and raise at least \$100 you will **earn a pin for your camp lanyard!** Head to campfoley.com/alumni/move-me to learn more and sign up!

2022 Alumni Newsletter

Rooted in Tradition

If our founder, Father Foley, were to visit camp today, we think that he still would be able to recognize the traditions and values that were so important to him when he founded camp. While the activities, equipment, and buildings may have been updated in the past 98 years, what we hope campers take away from camp has remained true. Occasionally we see pictures from the past that reminds us of this, and we wanted to share a few with you.

Campers in the 1940's learn about small motor repair and our CIT's in 2022 learn about car maintenance. We still aim to teach our campers valuable life skills to help them be **successful independent adults**.

The "near peer role model" relationship our counselors provide remains one of the most important ways for us to help partner with parents in **fostering character growth in our campers**. (Left: 1970's Right: 2022)

An all camp competition from the 1980's and Alpha Games are valuable opportunities for campers to have to **work together as a team** and how to learn and grow from winning and more importantly, losing.

A cabin group in the 1950s and one from 2022 remind us about the **precious relationships and memories** formed at camp. There is nothing that bonds people like living in a small cabin together for a few weeks!

Summer Achievements

Silver Birchbark Award

The Silver Birchbark Award was started in 1984 and acknowledges campers 12 years of age or younger, who complete at least half of the requirements for the Silver Paddle award. The Silver Paddle award started in 1969, and requires campers to earn awards in a variety of different activities, as well as be a person of good character. This year we had 4 campers earn their Silver Birchbark: **Maisie Mogard**, daughter of Kate (Fuller) Mogard ('01-'13,'16-'22) and Mike Mogard ('02-'13, '16-'22); **Adele Radant**, niece of Zoey Hartzell ('92-'97) and Lauren (Hartzell) Nichols ('87-'97); **Reis Cherveny**; and **Hudson Puschaver**, son of Andrea (Parker) Puschaver ('90-'91). **Congratulations to these four campers on this impressive achievement!**

Buoy Award

The Buoy Award is given to campers who earn a ribbon award in all 15 activities in which they are available. It was first awarded in 2015, and has been a popular goal for campers ever since! This year we had four campers earn the Buoy Award: **Sully Newlin**; **Adele Radant** niece of Zoey Hartzell ('92-'97) and Lauren (Hartzell) Nichols ('87-'97); **Ellie Ottem**; and **Kate Foster**, daughter of Beth (Berger) Foster ('80-'89, '92-'94, '98, '15-'22).

Alumni Children Achievements

All summer long our campers set impressive goals for themselves and were determined to accomplish them. Whether it was earning the highest award in an activity or making a new friend, we were so proud of all that our campers accomplished. We wanted to highlight a few of the achievements from our alumni campers:

- Kate Foster, daughter of Beth (Berger) Foster ('80-'89, '92-'94, '98, '15-'22): **Anchor Award** (Kate receiving Anchor Award pictured below)
- Nadia Goldman, daughter of Amy (Rauenhorst) Goldman ('74-'75): **Anchor Award**
- Mack Reller, son of Missy (Lenmark) Reller ('84-'88, '93): **Rock Jock**
- Barron Dreesch, son of Marquette (Mayer) Dreesch ('81-'84): **Advanced Fencing**
- Walker Puschaver, son of Andrea (Parker) Puschaver ('90-'91): **Advanced Fencing, Beaver Award**
- Aria Armstrong, daughter of Alison (Alt) Armstrong ('90,'94): **Beaver Award**
- Thomas Klauer, son of Jim Klauer ('79-'84) and grandson of James Klauer ('52-'61): **Anchor Award, American Archer** (Thomas pictured receiving American Archer to the right)

Hall of Fame

Campers and staff are eligible to enter the Hall of Fame once they have completed their Bridge Crossing essay and have spent at least 10 years at Foley. They will then have their picture taken and it will be hung in the dining hall. This year, we had 4 people enter the Hall of Fame, three of which have alumni parents! Congratulations to: **Alex Mann**, daughter of Rachel Mann ('78, '13-'21); **Maggie Tell**, daughter of Ellen (Zeckser) Tell ('90-'95); and **Norm**, the proud dog of Alli Faricy ('88-'22).

Another Summer In Paradise

From the moment campers arrived this summer to the day they departed, Foley was filled with energy and creativity! Every day you could feel the energy around camp, as campers strived to accomplish their goals, make new friends, and take full advantage of the Foley experience. We were so grateful to the campers and staff who helped to make this such a memorable summer.

After a two-year hiatus, **Wilderness Trips** returned to Camp Foley this summer. Campers took to the Crow Wing River to have a 3-day canoe adventure. It was a return to a traditional route that has been a staple in the Camp Foley tripping program for years. We were lucky enough to have former counselor and expert trip leader **Aaron Briggs** ('01-'04) return to Foley this summer to lead these trips. All the campers returned from the trips with big smiles on their faces and many stories to tell about their adventures!

Each session on **Founders Day**, the day which we celebrate our history, we have a **talent show**. The tradition of having a talent show dates back to when Father Foley ran camp and there was a weekly talent show. The tradition was continued this year, as campers and staff showcased their amazing talents. We saw piano playing, Yo-Yo tricks, singing, dancing, and one counselor even performed an original song on an instrument he created himself! It was amazing to see how talented the Foley community was this summer.

On one of the special days, in-between activity sign-ups, we had **Cabin Challenges**. Some of you may remember this from the past, where campers would play the traditional game of Horsengoggle to earn the right to choose first in challenging a cabin in a classic camp game (Basketball, Human Foosball, Kick-ball, etc.). This meant we got to see some unique cabin pairings compete in these games as they worked together to show off their cabin pride!

Another program that was brought back to camp this summer was **Club Night**. One night during each session, counselors were asked to form a club based on their interests. Campers would then sign up for whichever club interested them the most. It was amazing to see counselors share their unique passions, such as, calligraphy, cowboy skills, storytelling, ultimate frisbee, Dungeons and Dragons, and more!

One of our newer traditions, **Alpha Games**, returned for its 3rd edition and is really beginning to take shape for the future. Alpha Games has replaced the final banquet day that started in the 70's, but instead of just taking place on the last day of camp, it is a session long competition. This year we introduced daily challenges that allowed campers to earn points for their team during their activities. At the end of the session, teams were split up into "factions" for one final day of competing to earn the title of Alpha. Campers and staff will remain on the same team for the rest of their life, so loyalty and dedication to each team will only grow in the coming years!

Next-Level Neighbors

We were once again grateful for our neighbors, **Dave Hamel** and **Joe Christensen** who volunteered their time this summer. Dave helped with the maintenance and upkeep of camp, while Joe help our staff at the Riflery and Paintball Ranges. A big thank you to **Michael** and **Joann Dougherty** who graciously welcome our girls for Friendship Campfire at Father Foley's fireplace.

Alumni Updates

We like to keep you all updated with the happenings in the world of the Foley community. Whether it is a wedding, a birth of a future camper, or an accomplishment, we want to share the news with our amazing alumni community. **Here are some of the events that have taken place in the past year!**

Alumni Reunions

Some Foley alums gathered for a reunion this past fall to celebrate friendships near and far (even Mexico). Many of this crew have been friends for over 30 years, going back to their camper summers at Foley!

First Row: Dennis K, Martin P, Christy B, Ted K. **Second Row:** Beth B, Michelle R, Mary B, Mike N, Michelle W, Anne J, Mollie J. **Back Row:** Peter K, Pat H, Mark N, Dan O. *Initials are maiden names

Former counselor, **David Nekvasil** ('91-'92), from the Czech Republic, visited camp this summer to relive his time and show his son around camp. They even met up with some of David's co-counselors. He is pictured here with Marie and his son by the camp chapel.

Schmid Family Update

It was a quiet "big life event" year in the Schmid family, but we were excited to have Kylie and Peter (two of Marie's kids) join us for staff training - helping to train in a variety of activities and areas around camp. Peter's wife, Maddi, and daughter, Lois, also joined in the fun. Lo was a BIG help and loved following Grandma around to "help" in a variety of ways. The whole family was also back at camp in August, to play host for Tess and Tee's wedding - and Kylie even did the officiating!

We also had six Schmidlings in camp as campers this summer! It was so fun to see **Liv, Charlie, Axel, Juliet, Kate and Beth** all running around and enjoying three weeks of cousin time. Three more, **Alex, Emilie and Owen**, will join in 2023 for their first summer!

Alumni Spotlight

Cara Rieckenberg was a full-time Assistant Director at Camp Foley, before becoming a seasonal Assistant Director. She started at Foley in 1995 and worked every year until 2008, and once again in 2014. Cara still continues to serve the Foley community as one of our Board Members. She now works at Highlands Elementary school in Edina, Minnesota. Last spring she brought a group of their 2nd to 5th graders to Foley, to take part in our **Outdoor Education program**. In their three days here, the kids participated in wood skills, climbing, canoeing, a muck pond adventure, a critters class and more. Our Outdoor Education program takes place before and after camp, and is a great way for students to experience the outdoors and learn new skills, while learning about the environment. Cara had this to say about her experience this spring, "Being able to see my 53 2nd-5th grade students grow and thrive in ways I hadn't seen them yet do in a full school year was incredible. I was able to get to

know my students (and many of their parents) in a meaningful way that included experiential learning, safe risk taking and laughter over a campfire." While the time Highlands spent at Foley was an amazing success, perhaps even more exciting was the fact that Cara was named the next **principal of Highlands Elementary!** Cara started in her new role this summer, and **we want to congratulate her on the well-deserved honor and can't wait to see her back at Foley with Highlands Elementary this spring!**

Have something to share? Keep us updated with all your important life events, fill out the Alumni Update Form (campfoley.com/alumni/alum-update-form) or send us an email - fun@campfoley.com.

A Busy Off-Season

Although camp begins to slow down outside of the summer camp months, the spring and fall are still filled with plenty of activity. While a few of these events involve alumni, such as **Tessa Lee** ('00-'08, '12-'14) and **Tee Frank's** ('03-'06,'17) wedding (including Tee's grandparents who also met at Foley) and **Erin (Wall) Newman's** ('94-'98) 40th birthday party, many of the guests have no prior connection to Foley. In addition to a full slate of weddings throughout August, September and October, this year we also hosted

Friends of Erin (Wall) Newman celebrate her birthday at camp this past August.

the **Minnesota State Junior Bass Fishing Tournament**. It was a 2-day event where teams competed on the Whitefish Chain to catch the most pounds of bass possible. The top two teams secured their place at the national competition, which takes place next spring. It was quite the sight to see 96 boats line up in the early morning fog and check-in at our marina before heading off to fish.

If you are interested in having your event at Camp Foley or bringing your school to participate in our Outdoor Education program, send us an email at fun@campfoley.com to find out more!

Alpha Games: Battle of the Factions

Get ready for the **2022 Alpha Games!** Last year, we had the Battle of the Foley Frontier, an all-camp game of capture the flag, that spanned all the way across camp. This year, prepare for a competition that will see teams pitted against each other in a brand-new way. Campers will compete in trials of **strength, agility, wit, teamwork, and creativity** to earn points and perks. Teams will earn points throughout the entire session, to gain unique advantages for each team. On the last full day of camp, teams will split up into factions to complete different challenges before coming together for an epic finale. Everything culminates in a giant relay that will determine the winner of the 2022 Alpha Games. Last year, the Blue Team reigned supreme, winning 2 of the 3 sessions, with Green Team coming in second with one win. The Yellow Team and Red Team are hungry for victory this summer, watch out!

REMINDER!! If you attended camp last summer you ALREADY know your Alpha Games Team. **You will be on the same Alpha Games Team** each year you are at Foley! **Make sure to bring clothes that match your team color.** We will be sending out emails closer to camp to remind 2021 campers of their team color, in case you forgot. If you were not here in 2021, you will find out your team color at camp this summer. Think team spirit! This is the year to bring the whacky accessories and fun costumes, to earn those extra points for your team!

100 Year Anniversary: Early Bird Registration Now Open!

Mark your calendars and register now! The weekend of **August 16 - 18, 2024** will be one to remember as we celebrate **100 years of Camp Foley!** There is no better way to celebrate our centennial than having a **gathering of the Foley Community.** We hope you are able to join us for a weekend that will feature camp activities, sharing of stories, the camp museum, opening of one time capsule and burying a new one, and so much more. We look forward to connecting with Alumni across the decades!

A Few Things We Will Do In 2022

CrossNet

Do you like volleyball? How about four square and nine square? What if you could do a mix of all three? Well, this summer, campers will get the chance to play **CrossNet**, and do just that! CrossNet is like volleyball, but instead of two sides there are four. This game can be played as individuals or we can expand the net and have four teams compete against each other. The best part about CrossNet... it's portable! Where do you think campers will play CrossNet this summer, the sand volleyball court, Foley Green, the beach, the lake? **The possibilities are endless!**

New Air Rifles

We are taking our riflery program into the next era, with the addition of air rifles at the riflery range! Air Rifles are used every year in professional competitions, including the **Olympics**. These new rifles are **lighter and less bulky**, which means campers can expect to have greater accuracy up at the Rifle Range. The Air Rifles are so accurate that the coach of the USA National Rifle Team said you can "stack one pellet on top of another...over and over again." We can't wait to see the results our campers will get with these **new air rifles!**

Wilderness Trips

Are you looking to add a little more adventure to your Camp Foley experience? Well, this summer **our wilderness trips are back!** That's right, former counselor and wilderness expert, **Aaron Briggs** will be leading canoe trips on the **Crow Wing River** each session. The beautiful scenery of a **Minnesota Summer is second to none**, and a three-day canoe and camping trip on the Crow Wing River is the perfect way to take advantage of it. **See wildlife, make delicious meals over a fire, and learn canoeing and camping skills along the way.** All campers who are going into 6th grade and above are eligible for our wilderness trips. **Head to our website to learn more about our wilderness tripping program.**

Ship Your Luggage To Camp

This year, in order to meet the growing needs of our families, we have partnered with a luggage service to help make getting to and from camp easier for your campers! We are working with an organization called **Ship Camps** that **will ship your campers' bags to and from camp.** This is a great option for campers who are flying or are headed to other vacations or programs after camp is over. Head to our website to learn more about Ship Camps and how it works. **This service is totally optional!!**

Camp Foley: The Best Summer Job You Can Have

We are still hiring for the 2022 summer! If you, or someone you know, would be an awesome camp counselor, email Alli at alli@campfoley.com to find out more!

Reinvigorated Leadership Program

This summer our Leadership Program will have a brand-new look. Participants will now progress through a 4-year program that prepares them to flourish in all areas of their life. Everyone entering 9th grade or above will be eligible to join. Our goal is to convert the campers that enter this program into **Community Builders, or a person who feels a responsibility towards their community and has the will and capability to make a meaningful positive impact within it.** The young adults in this program will participate in workshops in three different areas to prepare them to be confident, independent, and respected adults.

Personal Growth: The intangible skills needed to be a respected leader in the community (Examples: Effective Communication, Conflict Transformation, Management Skills, Decision Making).

Life Skills: Hands on workshops to teach participants skills every adult should know (Examples: Car Maintenance, Basic First Aid, Personal Finance, Cooking, Basic Tools and Home Maintenance).

Professional Skills: Prepare to succeed in your professional life and master the college application process (Examples: Resume and Cover Letter Writing, Job Interview Tips, College Application tips, Professional Dress).

All members of the leadership program will also participate in a **community service project** in the local area, help with **behind-the-scenes work, plan and lead events or games** for other campers, and be counted on to be a responsible **role model every day.** Campers who participate in the program will be **honored at a banquet** at the end of camp to celebrate their hard work and accomplishments. Everyone who completes the program will be eligible to receive a **letter of recommendation** from a Foley Director that can be used for applications to college, jobs, or other special honors programs. The Leadership Program is the **pinnacle of the Camp Foley experience** and we **strongly encourage all eligible campers to join.** Head to our website to learn more about the program and fill out a quick application to join!
www.campfoley.com/foley-campers/leadership-program

Activity Apprenticeship

What does it take to be an activity instructor at Camp Foley? Well, all campers going into 11th grade have the opportunity to join the **Activity Apprenticeship Program.** Learn what it takes to teach an activity from the behind-the-scenes work to the skills needed. Finally, you will get the chance to **actually teach an activity at Camp Foley!** We strongly encourage this program for anybody who has thought about being a counselor in the future (all CIT's will participate in this program). **Find out more on our website!**

Dishwashers

Want to get a glimpse into a different part of camp, while earning money off your tuition at the same time? Campers ages 14-16 have the opportunity to gain work experience by signing up to do dishes at camp. Sign up to be a dishwasher this summer, **head to our website to find out more and apply!**

What Else Should We Know?

What will camp look like this summer?

Last year, while we still had an amazing and successful summer, in order to keep everyone safe camp looked a little different than it had in years past. This summer we hope to return to a more normal camp setting, we will continue to follow the latest COVID related rules, regulations, and guidance from the CDC and Minnesota Department of Health to make sure we have another **successful summer of keeping campers, staff, families, and our local community safe.** With the what-feels-like weekly changing news, we have decided not to make any firm decisions about our protocols until the **middle or end of April.** As soon as we have made any decisions, we will make sure to update all of you as quickly as possible. **Please head to our website** if you would like to learn more, or **contact us directly if you have any questions or would like to chat!** We are excited to work together to create another amazing summer for the Foley Community! www.campfoley.com/covid-guidelines

A Few Things We Will Do In 2022 (cont.)

Evening Programs

Our goal is to start off the first four days of camp with unique and exciting evening programs that will make both new and returning campers say **"WOW!"**

Wolf campers will get the opportunity to do a **Giant Board Game Night**, play a life-sized version of **Hungry Hungry Hippos**, make **Homeade Tacos** or have a **Pon-toon Picnic**, and of course, go on an overnight adventure at either the beach or the treehouses. Although not an evening program, you can also expect to see the **Zup Board** back at some point this summer!

Coyotes, gear up for **Water Wars!** Campers will wear a special vest with targets on it that change colors when wet. Armed with water guns, campers will try to soak all the targets on their opponents vests. They will also compete in **Minute to Win It** competitions, play **Battle Ships with the Swamper Canoes**, and **cook an outdoor breakfast** for dinner, in addition to going to the treehouses.

Foxes will get to play a unique game of **Slip 'n Slide Skee Ball**; go back to the age of kings, queens, castles, and knights during **Medieval Night**; and have a **Messy Night**. During Messy Night, foxes will get to do ice chalking, use washable markers, make soap clouds, and will cap off the night with an awesome evening snack that only is available to the Fox group!

Cabin Challenges

An exciting **special day activity** this summer will be **Cabin Challenges!** This summer, during a special day at camp, cabins will challenge each other to games like Soccer, Kickball, Baseball, Water Basketball, etc. **Cabins will be able to challenge whoever they want**, so get ready for some cabin matchups that are not seen very often at camp. But won't the older cabins always win? Not so fast! Each game will have certain rules to make it fair, so that every cabin has a fair chance to win! This will be a great way for campers to meet people and form relationships with campers throughout the camp community. **May the best cabin win!**

The Holiday Spectacular

We have always wondered what it would be like to celebrate all the major holidays at camp, and this year, during our **Late Night Adventure**, we are going to find out! **Christmas, New Year's, St. Patrick's Day, Fourth of July, Halloween, Thanksgiving, and more!** We are going to light up camp with decorations from different major holidays and have **unique festive games** to celebrate that particular day of the year. Once the sun goes down, the games will continue with added Glow in the Dark features! This Holiday Spectacular will conclude with an exciting all-camp ball dropping ceremony and a special surprise! **Bring your favorite holiday outfits to help celebrate!**

Pirate Party

Did you register before October 15th? Then get ready for a **Pirate Party!** Deck yourself out with swashbuckling tattoos and earn your very own pirate name! Be the only campers to play a brand-new pirate game this summer, **Cross Bones**, inspired by Koob and Horseshoes. After gaining victory over the other Scallywags, you will get your very own **Pirate Tankard (mug)**, filled with **Ocean Water Punch**, and receive an empty treasure chest to fill with pirate booty (a variety of snacks)! Avast Me Hearties, Yo Ho!!
